John F. Grissom

Acting Chief, Administrative Appeals Office

CC:

DISCUSSION: The preference visa petition was denied by the Director, Nebraska Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be dismissed.

The petitioner is a specialized software development and computer consulting company. It seeks to employ the beneficiary permanently in the United States as a programmer analyst. As required by statute, the petition is accompanied by a Form ETA 750, Application for Alien Employment Certification, approved by the United States Department of Labor (DOL). The director determined that the petitioner had not demonstrated that the beneficiary had the qualifications stated on the Form ETA 750. The director denied the petition accordingly.

On appeal, counsel states that the director erroneously concluded that the beneficiary did not possess a bachelor's degree. However, counsel failed to specifically address the director's analysis of the evidence, and did not furnish any additional evidence.

As stated in 8 C.F.R. § 103.3(a)(1)(v), any appeal that fails to specifically identify any erroneous conclusion of law or statement of fact will be summarily dismissed.

A review of the decision reveals that the director accurately set forth a legitimate basis for denial of the petition. On appeal, the petitioner has not presented additional evidence. Nor has the petitioner specifically addressed the basis for denial. The appeal must therefore be summarily dismissed.

ORDER: The appeal is dismissed.
