IN RE: Petitioner:  
Beneficiary:

PETITION: Petition for a Nonimmigrant Worker Pursuant to Section 101(a)(15)(H)(i)(b) of the  
Immigration and Nationality Act, 8 U.S.C. § 1101(a)(15)(H)(i)(b)

ON BEHALF OF PETITIONER:

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

If you believe the law was inappropriately applied or you have additional information that you wish to have considered, you may file a motion to reconsider or a motion to reopen. Please refer to 8 C.F.R. § 103.5 for the specific requirements. All motions must be submitted to the office that originally decided your case by filing a Form I-290B, Notice of Appeal or Motion, with a fee of \$585. Any motion must be filed within 30 days of the decision that the motion seeks to reconsider or reopen, as required by 8 C.F.R. § 103.5(a)(1)(i).

John F. Grissom, Acting Chief  
Administrative Appeals Office

DISCUSSION: On September 1, 2006, the Director of the California Service Center denied the nonimmigrant visa petition. The petitioner appealed this denial to the Administrative Appeals Office (AAO), and, on November 6, 2007, the AAO rejected the appeal as untimely filed. On December 3, 2007, counsel for the petitioner filed a motion to reopen the AAO's decision in accordance with 8 C.F.R. § 103.5. The motion will be dismissed pursuant to 8 C.F.R. § 103.5(a)(1)(iii)(C), 103.5(a)(2), and 103.5(a)(4).

The petitioner seeks to employ the beneficiary as a senior computer programmer pursuant to section 101(a)(15)(H)(i)(b) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1101(a)(15)(H)(i)(b). The director denied the petition on September 1, 2006. On October 10, 2006, counsel for the petitioner filed an appeal seeking review of the director's decision. After reviewing the record, the AAO rejected the appeal as the appeal had not been filed in a timely manner. Any appeal that is not filed within the time allowed must be rejected as improperly filed. 8 C.F.R. § 103.3(a)(2)(v)(B)(1). The petitioner has now filed a motion seeking to reopen the appeal that was rejected as untimely filed.

The regulation at 8 C.F.R. §§ 103.5(a)(1)(iii) lists the filing requirements for motions to reopen and motions to reconsider. Section 103.5(a)(1)(iii)(C) requires that motions be "[a]ccompanied by a statement about whether or not the validity of the unfavorable decision has been or is the subject of any judicial proceeding." In this matter, the motion does not contain the statement required by 8 C.F.R. § 103.5(a)(1)(iii)(C). The regulation at 8 C.F.R. § 103.5(a)(4) states that a motion which does not meet applicable requirements must be dismissed. Therefore, because the instant motion did not meet the applicable filing requirements listed in 8 C.F.R. § 103.5(a)(1)(iii)(C), it must be dismissed.

Additionally, the AAO will dismiss the motion for failure to meet the applicable requirements for motions to reopen set forth in 8 C.F.R. § 103.5(a)(2). This regulation at 8 C.F.R. § 103.5(a)(2) states in pertinent part that "[a] motion to reopen must state the new facts to be provided in the reopened proceeding and be supported by affidavits or other documentary evidence." Based on the plain meaning of "new," a new fact is found to be evidence that was not available and could not have been discovered or presented in the previous proceeding.<sup>1</sup>

Contrary to counsel's assertions on motion, a review of the evidence submitted in support of the motion, which consists simply of counsel's brief statement on Form I-290B and an accompanying letter dated November 30, 2007, reveals no fact that could be considered "new" under 8 C.F.R. § 103.5(a)(2). On motion, counsel contends that the appeal was mailed in a timely fashion, and that "the mail containing our motion was somewhat kept in the mailroom and was not processed on time, hence the delay." Counsel provides no affidavits attesting to the date of mailing of the appeal, nor does counsel submit documentary evidence, such as return receipts issued by the U.S. Postal Service, to corroborate its

---

<sup>1</sup>The word "new" is defined as "1. having existed or been made for only a short time . . . 3. Just discovered, found, or learned <new evidence> . . . ." WEBSTER'S II NEW RIVERSIDE UNIVERSITY DICTIONARY 792 (1984)(emphasis in original).

claim that the appeal was timely filed but sat in the mailroom at USCIS. The unsupported statements of counsel on appeal or in a motion are not evidence and thus are not entitled to any evidentiary weight. *See INS v. Phinpathya*, 464 U.S. 183, 188-89 n.6 (1984); *Matter of Ramirez-Sanchez*, 17 I&N Dec. 503 (BIA 1980). Therefore, the arguments submitted on appeal will not be considered "new" and will not be considered a proper basis for a motion to reopen. Accordingly, the motion does not meet applicable requirements and must be dismissed. 8 C.F.R. § 103.5(a)(4).

Motions for the reopening or reconsideration of immigration proceedings are disfavored for the same reasons as petitions for rehearing and motions for a new trial on the basis of newly discovered evidence. *See INS v. Doherty*, 502 U.S. 314, 323 (1992) (citing *INS v. Abudu*, 485 U.S. 94 (1988)). A party seeking to reopen a proceeding bears a "heavy burden." *INS v. Abudu*, 485 U.S. at 110. With the current motion, the movant has not met that burden.

Finally, it should be noted for the record that, unless USCIS directs otherwise, the filing of a motion does not stay the execution of any decision in a case or extend a previously set departure date. 8 C.F.R. § 103.5(a)(1)(iv).

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. § 1361. **The petitioner has not sustained that burden. Accordingly, the motion will be dismissed, the proceedings will not be reopened, and the previous decisions of the director and the AAO will not be disturbed.**

**ORDER:** The motion is dismissed.
