PETITION: Petition for a Nonimmigrant Worker Pursuant to Section 101(a)(15)(H)(iii) of the Immigration and Nationality Act, 8 U.S.C. § 1101(a)(15)(H)(iii)

ON BEHALF OF PETITIONER:

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Thank you,

Perry Rhew
Chief, Administrative Appeals Office

DISCUSSION: The service center director denied the nonimmigrant visa petition and the matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be sustained. The petition will be approved.

The petitioner is a management group that seeks to employ three beneficiaries as trainees for a period of two years. The petitioner, therefore, endeavors to classify the beneficiaries as nonimmigrant worker trainees pursuant to section 101(a)(15)(H)(iii) of the Immigration and Nationality Act (*the Act*), 8 U.S.C. § 1101(a)(15)(H)(iii).

The record of proceeding before the AAO contains (1) the Form I-129 and supporting documentation; (2) the director's request for additional evidence; (3) the petitioner's response to the director's request; (4) the director's denial letter; and (5) the petitioner's Form I-290B and supporting documentation. The AAO reviewed the record in its entirety before issuing its decision.

The director denied the petition determining that the petitioner failed to establish that the beneficiaries would not engage in productive employment unless such employment is incidental and necessary to the training.

On appeal, counsel contends that the director erred in denying the petition.

Section 101(a)(15)(H)(iii) of the Act, 8 U.S.C. § 1101(a)(15)(H)(iii), provides classification for an alien having a residence in a foreign country, which he or she has no intention of abandoning, who is coming temporarily to the United States as a trainee, other than to receive graduate medical education or training, in a training program that is not designed primarily to provide productive employment.

The regulation at 8 C.F.R. § 214.2(h)(7) states, in pertinent part, the following:

- (ii) Evidence required for petition involving alien trainee—
 - (A) Conditions. The petitioner is required to demonstrate that:
 - (1) The proposed training is not available in the alien's own country;
 - (2) The beneficiary will not be placed in a position which is in the normal operation of the business and in which citizens and resident workers are regularly employed;
 - (3) The beneficiary will not engage in productive employment unless such employment is incidental and necessary to the training; and
 - (4) The training will benefit the beneficiary in pursuing a career outside the United States.

- (B) Description of training program. Each petition for a trainee must include a statement which:
 - (1) Describes the type of training and supervision to be given, and the structure of the training program;
 - (2) Sets forth the proportion of time that will be devoted to productive employment;
 - (3) Shows the number of hours that will be spent, respectively, in classroom instruction and in on-the-job training;
 - (4) Describes the career abroad for which the training will prepare the alien;
 - (5) Indicates the reasons why such training cannot be obtained in the alien's country and why it is necessary for the alien to be trained in the United States; and
 - (6) Indicates the source of any remuneration received by the trainee and any benefit, which will accrue to the petitioner for providing the training.

- (iii) Restrictions on training program for alien trainee. A training program may not be approved which:
 - (A) Deals in generalities with no fixed schedule, objectives, or means of evaluation;
 - (B) Is incompatible with the nature of the petitioner's business or enterprise;
 - (C) Is on behalf of a beneficiary who already possesses substantial training and expertise in the proposed field of training;
 - (D) Is in a field in which it is unlikely that the knowledge or skill will be used outside the United States;
 - (E) Will result in productive employment beyond that which is incidental and necessary to the training;
 - (F) Is designed to recruit and train aliens for the ultimate staffing of domestic operations in the United States;

- (G) Does not establish that the petitioner has the physical plant and sufficiently trained manpower to provide the training specified; or
- (H) Is designed to extend the total allowable period of practical training previously authorized a nonimmigrant student.

The director found that the petitioner had not established that the beneficiaries would not engage in productive employment. The regulation at 8 C.F.R. § 214.2(h)(7)(ii)(A)(2) requires the petitioner to establish that the beneficiaries would not be placed in a position which is in the normal operation of the business and in which citizens and resident workers are regularly employed, and the regulation at 8 C.F.R. § 214.2(h)(7)(iii)(E) precludes approval of a petition in which the beneficiaries would perform productive employment beyond that which is incidental and necessary to the training. The petitioner provided sufficient evidence to establish that the beneficiaries will not be placed in a position which is in the normal operation of the business. The petitioner established that the beneficiaries will be in a training position and will not be employed by the petitioner. The petitioner has overcome the grounds for the director's denial, and the director's decision is withdrawn.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. § 1361. The petitioner has sustained that burden.

ORDER: The appeal is sustained. The petition is approved.
