I. FUNDING OPPORTUNITY DESCRIPTION

PROGRAM DESCRIPTION:

The mission of the Office of Citizenship (OoC), within U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS), is to provide tools and resources to foster immigrant integration. The OoC promotes English language learning and education on the rights and responsibilities of citizenship.

The OoC provides information and resources to immigrants at key points on the path to citizenship: when they first become permanent residents, as they apply for citizenship, and when they become U.S. citizens. The primary focus of the OoC is the citizenship process.

The OoC provides educational resources, which include a variety of civics-based publications and training initiatives for immigrants, adult educators, and immigrant-serving organizations.

Request for Proposals

Approximately \$4,500,000 in federal funding is available for eligible organizations to provide direct services focused on promoting the rights and responsibilities of citizenship through citizenship education and naturalization application preparation programs for lawful permanent residents (LPRs).

Proposed grant-funded activities **must** include a citizenship education component consisting of citizenship or civics-focused English as a Second Language (ESL) instruction and citizenship instruction (U.S. history and government) to prepare LPRs for the civics, English reading, writing, and speaking components of the naturalization test. In addition to the mandatory citizenship education component, funds **may** be used to provide naturalization application preparation services, including legal services (within the scope of authorized practice of immigration law) and case management services to support the naturalization application and interview process. Grant funds may be used for supporting resources (e.g., curriculum, textbooks/materials, student assessments, software, computers, etc.), outreach to inform eligible LPRs of direct services offered through grant-funded programs, and for staff and volunteer professional development and training. Grant funds also may be used for costs associated with Board of Immigration Appeals (BIA) recognition of the organization and accreditation (or renewal) of staff.

Partnerships to provide services are encouraged; however, the primary applicant must provide the citizenship education services and the partner organization may provide the naturalization application preparation services.

<p>The required elements for the proposal and how to submit a proposal are identified under Section IV. of this funding opportunity.</p>

Supplantation/Maintenance of Effort

Requests for funds under this announcement shall not be used to take the place of activities described in the application that are currently supported with other funding. Also, grant funds shall not be used to support activities that are a normal part of the organization's operations.

V. REVIEW PROCESS AND SELECTION CRITERIA

A. Review Process

DHS will conduct an initial review of applications to determine the eligibility, completeness, and responsiveness of the application. If an applicant is determined to be ineligible or an application is deemed incomplete/non-responsive, DHS will notify the applicant. All eligible and complete/responsive applications will be reviewed as described below:

1. USCIS will assemble reviewers which may include both Federal and non-Federal reviewers to review the eligible proposals. Reviews of submitted proposals will be conducted either on site or by remote review.

At a minimum, two (2) technical reviewers will review each eligible proposal against the published evaluation criteria. The reviewers will assign points and provide summary comments and overall ratings based on the published evaluation criteria. Copies of all proposals are available for inspection by all of the members of the review panel upon request.

2. Applicants proposing only citizenship education services can receive points up to a total score of 100 points. Applicants proposing both citizenship education services AND naturalization application preparation services can receive points up to a total score of 160 points.
3. There will be two separated ranked lists – one list of applicants proposing to provide only citizenship education services and a second list of applicants proposing to provide citizenship education services AND naturalization application preparation services. The highest ranked applications from each list will be forwarded for final funding review.
4. After the technical review and before making final funding decisions, DHS may contact the highest ranking applicants to seek clarification and to negotiate technical and programmatic aspects of the proposal. If a proposal includes other organizations that will provide services in partnership with the main applicant, DHS may request to speak with all parties included in the application to ensure sufficient planning and coordination has taken place prior to making an award.
5. DHS's designated Selection Authority (SA) will make a final funding decision based upon the results of the evaluation, availability of funds, any funding priorities and

program policy factors, and the overall goals of the Citizenship and Integration Direct Services Grant Program.

6. **Confidentiality and Conflict of Interest.** Technical and cost proposals submitted under this funding opportunity will be protected from unauthorized disclosure in accordance with applicable laws and regulations. DHS may use one or more support contractors in the logistical processing of proposals. However, proposal selection and award decisions are solely the responsibility of DHS personnel.

DHS screens all panelists for potential conflicts of interest. To determine possible conflicts of interest, DHS requires potential reviewers to complete and sign conflicts of interest and nondisclosure forms. DHS will keep the names of submitting institutions and individuals, as well as the substance of the proposals confidential except to reviewers, and will destroy any unsuccessful proposals after one year following the funding decision.

7. DHS strongly discourages, and will not consider, any materials submitted by or on behalf of the applicant other than those materials specifically requested in this funding opportunity announcement.
8. DHS will notify all applicants electronically of funding decisions. Unfunded applicants may send a written request to citizenshipgrantprogram@dhs.gov to receive a written summary of reviewer comments related to each of the evaluation criteria, along with the points awarded to the application for each of the evaluation criteria within 60 days. Additional information beyond that described here will not be provided.

1. **By signing and/or submitting this application for a grant or cooperative agreement, the awardee is providing the certification set out below.**
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant or cooperative agreement. If it is later determined that the awardee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal government, may take action authorized under the Drug-Free Workplace Act.
3. For awardees other than individuals, Alternate I applies.
4. For awardees who are individuals, Alternate II applies.

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the assistance agreement, the awardee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Awardees' attention is called, in particular, to the following definitions from these rules:

Instructions for Certification

1. **By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.**
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
