Mr. John W. Lennon  
Mrs. Yoko Ono Lennon  
841 Nimes Road  
Bel Air, California

Dear Mr. and Mrs. Lennon:

Reference is made to the denials on August 3, 1970, upon reconsideration of your applications for extension of temporary stay in the United States, and to your requests of August 14, 1970, for reconsideration of such denials as well as applications for stay of the departure date, August 15, 1970, set in your cases.

Your requests will be considered as applications for stay of your departure date. In consideration of the evidence and representations submitted with your requests, the date within which you are required to depart from the United States is hereby extended to September 15, 1970. You must notify this office before that date of the arrangements you have made to effect your departure, including the dates, place, and manner of departure. At the time of your departure, do not fail to surrender Forms I-94, Arrival-Departure Record, in accordance with instructions on that form.

Yours truly,

Mr. Jack Griffin, SII SWRO, telephonically advised the following on  
8/17/70.

(b)(6)

On 8/4/70 the subjects were given an 8/15/70 departure date, and the District Director, Los Angeles, with Central Office approval, indicated that if they failed to depart on or before that date, an order to show cause would be issued. The subject's attorney has submitted a motion to reconsider the departure date and given an extension of stay. The District Director, Los Angeles, proposes and SWRO agrees that instead of accepting the motion to reopen, it be returned and the subject's voluntary departure be extended to 9/15/70.

Mr. Griffin was advised that we would notify him as to the action to be taken.

Pursuant to instructions from Mr. Bernsen following a discussion of this matter with Mr. Lehmann, Mr. Griffin was informed that the Central Office agreed with the action proposed by the District Director, Los Angeles, to extend the subjects' voluntary departure to 9/15/70.

Mr. Jack Griffin, Supervisory Immigrant Inspector, Southwest Region telephoned and stated that, as a result of discussions locally with Mr. Greene, the subjects were advised on August 3, 1970 that their request for extension of stay was denied

that if departure before August 31, 1970 was insisted it would cause the Lennon's an expense of \$5,000 for rentals, maid expenses and similar charges to which they were already committed; that the District Director recommends that the subjects be given an August 15, 1970 departure date and if they fail to depart on or before that date, that an order to show cause be issued. Mr. Griffin concurred in this recommendation and wished the approval of this office.

After discussion with Mr. Lehmann, I advised him that Mr. Greene would be in the office tomorrow and we would notify him at that time as to the action to be taken.

August 5, 1970

At the request of Mr. Lehmann, I requested Mr. Griffin to notify the Los Angeles District Director that Mr. Greene concurred in the proposed action, but that service of the order to show cause, if necessary, should be withheld until clearance was received from this office.

SUBJECT: John LENNON AND WIFE

(b)(6) Mr. Griffin, T.C. SWRO, furnished the following information on August 3, 1970 concerning the subjects. He stated that about 4:15 p.m. Los Angeles time the subject's attorney presented a letter from the subject in which were attached letters from doctors.

[REDACTED] The attorney indicated that Capital Records also wanted Lennon to stay in the United States. An extension of 90 days was requested.

The subjects were previously given an extension of stay which expired July 16, 1970 and were given voluntary departure until August 1, 1970. Mr. Griffin said that Mr. Greene had earlier told the District Director in Los Angeles that he would go along with whatever evaluation the District Director and ADD for T.C. Withers placed upon the material presented by Lennon.

(b)(6) As a result, the requested extension of stay was denied unless it was indicated that [REDACTED]

(b)(6) Mr. Griffin then contacted Mr. Greene who indicated that he concurred with the action of the District Director, Los Angeles. No claim that [REDACTED]

Miss Altman of Congr. Bingham's office, ext. 4411, was advised of the above.

c/o Harold Seider, Attorney

New York, New York 90019

Dear Mr. Lennon:

Your motion, dated July 31, 1970, for reconsideration of the denial dated July 16, 1970, of your application for extension of temporary stay, is granted, and my notice of denial is withdrawn.

(b)(6)

The record indicates you were granted a waiver under Section 212(d)(3) of the Immigration and Nationality Act, of your inadmissibility under Section 212(a)(23) of the Act, and that you were admitted to the United States at Los Angeles, California, on April 23, 1970, as a temporary visitor for business (B-1) until May 16, 1970; that you were granted extensions of temporary stay to July 16, 1970; that an application for further extension of temporary stay was denied July 16, 1970, on the ground that you were admitted under a waiver of your inadmissibility for a limited period only; and that you were given until August 1, 1970, within which to depart the United States.

(b)(6)

(b)(6)

You state that you are being treated by Dr. Arthur Janov in

(b)(6)

[Redacted]

You also state that contract negotiations between Apple Records, Inc., of which you are president, and Capitol Records, Inc., have not been completed, and that you wish to be in the United States to complete them, and you request that your application for extension of temporary stay be granted for a period coextensive with the extension granted to your wife.

The records in the cases of yourself and your wife, Yoko Ono Lennon, including the evidence and representations presented with the instant motions for reconsideration, have been carefully considered. You were permitted to enter the United States following the granting of a waiver of your inadmissibility to the United States, for a limited period of time as a visitor for business (B-1). Your wife was admitted as a visitor for pleasure (B-2) to accompany you. You have been granted two extensions of temporary stay for the purpose of completing your business in the United States. No evidence has been submitted that your continued presence in the United States is vital to your business interests or that any pending contract negotiations may not be concluded abroad.

(b)(6)

[Redacted]

Upon reconsideration IT IS ORDERED THAT your application for extension of temporary stay be denied for the reason that you have failed to establish that the limited purpose for which you were admitted has not been accomplished or that there exists any compelling need for you to remain in the United States.

(b)(6)

[Redacted]

It will be necessary for you to depart from the United States not later than August 15, 1970. You must notify this office before that date of the arrangements you have made to effect your departure, including the date, place and manner of departure. At the time of your departure, do not fail to surrender Form I-94, Arrival-Departure Record, in accordance with instructions on that form.

BELLINGHAM, WASH. (AP) - Orders were issued by the State Department Friday barring Canadian demonstrators from entering the U.S. at Blaine. Through its probe, the State Department said it learned that the Border Patrol and INS had been instructed to let students cross unimpeded on May 9. Those orders have clearly been changed, Representative Lloyd Meeds reported. Mr. Meeds said a plan has been worked out between State Department, Border Patrol, Washington State Patrol, the sheriff, and RCMP to prevent a repetition. The State Department has ordered the Border Patrol to refuse entry to known demonstrators. INS has been instructed to check all known Canadian agitators attempting to cross the border. Immigration officers also have been ordered to turn away Canadians if they suspect they are members of dissenting groups.

(BELLINGHAM HERALD 5/22, SEATTLE TIMES, POST INTELLIGENCER 5/24 and others)

It is reported that this story has been given widespread coverage in Canadian news media.

LOS ANGELES - The New York Council of Actors Equity has denied permission for Rachel Roberts to appear in the play "Rosebloom" in Los Angeles, because she does not have permanent residence. The Actors' Union requires alien performers to have a "green card" as a means of protecting Americans out of work in the legitimate theatre. Miss Roberts had previously worked under the screen actors guild's more flexible provision for alien professionals of "distinguished ability". Despite strong efforts to obtain Miss Robert's services for the play, the union will not grant her permission to appear on stage until she has her card. (LOS ANGELES TIMES 5/25)

DD LOS advises that I-140 application for third preference as an actress has been filed for Rachel Roberts Harrison aka Rachel Roberts, A13 602 207. As of 5/15/70 LOS is awaiting documentation to support the application.

SAN FRANCISCO - The conduct of Beatle John Winston Lennon has been drawing unfavorable attention. He is reported to have been rude and unpleasant to employees at the San Francisco Hilton Hotel and he has been permanently banned from airport limousines in San Francisco because he left a woman employee in tears after swearing at her and a driver who recognized him.

DD SFO advises that temporary admission was authorized under section 212(d)(3)(a). Lennon was admitted at Los Angeles on 4/24/70 for 30 days, and was granted an extension of another 30 days.

OAKLAND - Alameda County Judges have declared that the Santa Rita Rehabilitation Center is such a disgrace they are reluctant to sentence convicted lawbreakers to the institution. They say there are inadequate supervision, inadequate medical facilities, reports of beatings of prisoners and homosexuality.

MIAMI (UPI) - Six FBI agents, armed with search warrants, raided the headquarters of ALPHA 66 shortly after 10 AM Monday morning, apparently looking mainly for weapons and ammunition. They found none, according to Diego Medina, ALPHA 66 information officer, but confiscated some military web belts and water canteens. He said the agents also took away photographs, letters, receipts for donations, and various documents. No arrests were made.

ANCHORAGE - Attempts are being made to discourage hordes of job seekers from coming to Alaska. Anchorage Mayor George Sullivan is asking that state offices be established at Sea-Tac Airport near Seattle and at border-crossing points at Blaine and Sumas, Washington, to advise job seekers. Alaska's oil boom has given rise to the widely held idea that high pay for unskilled labor is available. Actually Anchorage's joblessness is already twice the national rate, and Fairbanks' is three times the national rate. Unless something is done, thousands more would-be workers are expected this summer.

A MIAMI HERALD editorial, 5/22, supports the proposal by Representative William Clay of Missouri (See DIGEST 5/21) to halt the Cuban Airlift.  
"For taxpayers to shell out another \$112 million this year for a special federal umbrella that not only gives better coordinated care to refugees than to needy Americans . . . hardly makes sense. The costs have risen each year. In all, \$400 million has gone into the program. High prices, tight money, rising taxes and a new deficit in the federal budget are not comfortable bedfellows with a program that has clearly outlived its time."

MIAMI - A Miami television station has shown pictures, reportedly taken in Cuba, of missiles which it says have enough power to reach the United States. According to the station, WTVJ, the pictures were taken from the Spanish magazine, Gaceta Ilustrada.

SEATTLE - Alaska Airlines reports a sellout on its June 6 flight to Khabarovsk, Russia, which will inaugurate a series of 10 tour flights it will operate to Siberia. About 65 percent of the seats on the remainder of the tours have been sold. The tours which vary from 8 to 15 days and cost from about \$850 to \$1,250, begin and end in Anchorage.

Re: "Beetle" John Lennon

Stephanie Takis, Congr. Bingham's office, Ext. 4411, said they had a call from subject's agent indicating he is in California "undergoing therapy"; that his visa expires May 16; that he was going to apply for extension to see if he could finish the therapy. Miss Takis said she was asked whether Mr. Lennon would have any difficulty getting an extension. She understood they planned to go into Los Angeles today.

I told Miss Takis subject was admitted for business discussions in Los Angeles and New York, and that if he applied for an extension it would be considered, but I could not forecast what the decision might be.

I also told her if the request for extension was received, we would advise her of disposition.
