

## Nebraska Driver's License and ID Card Information

Nebraska joined the Records and Information from DMVs for E-Verify (RIDE) program in February 2015 for driver's licenses and ID cards. When an employee presents a Nebraska driver's license or ID card as his or her List B document for Form I-9, E-Verify will prompt you to enter the document information and will verify it against Nebraska records.

- Select "Driver's license" as the document name in E-Verify for any Nebraska document called an **Operators License, Learners Permit, Provisional Operators Permit, School Permit, School Learners Permit, Commercial Drivers License, Restricted CDL, Seasonal Permit, Commercial Learners Permit, School Bus Permit, Special Farm Husbandry Permit, Medical Hardship Permit, Employment Driving Permit or Ignition Interlock Permit.**
- Select "ID card" as the document name in E-Verify for any Nebraska document called an **Identification Card.**
- Nebraska issues horizontal driver's licenses and ID cards for individuals age 21 and over and issues vertical driver's licenses and ID cards for individuals under age 21.
- Nebraska driver's licenses and ID cards contain document numbers (circled) that are one letter (A,B,C,E,G,H, or V) followed by eight numbers.
- Nebraska began issuing driver's licenses and ID cards with the current design in July 2009.
