

### **Supplement to I-130 Transfer Notice Issued by the NBC**

USCIS is experiencing delays in adjudicating Form I-130, Petition for Alien Relative, filed by U.S. citizens for their qualifying immediate relatives. To facilitate more timely processing, USCIS is transferring immediate relative petitions from the National Benefits Center to the Nebraska, Texas, and California Service Centers. You have received this notice, together with a transfer notice, because your case was transferred to a service center. Please review your transfer notice to determine which service center will be processing your case.

If you do not receive a decision or other notice of action from the service center within 60 days, please call Customer Service at 1-800-375-5283 or submit an inquiry using e-request at <https://egov.uscis.gov/e-request/Case.do> .

While your case is pending, you may check the status at <https://egov.uscis.gov/cris/jsps/selectusertype.jsp> under “After I File” or register for automatic case status updates.

If you move while your case is pending, you can call Customer Service or you can change your address online at: <https://egov.uscis.gov/crisgwi/go?action=coa> so that USCIS can notify you of any further action on your case. It is important that you notify USCIS of any change of address as soon as possible after moving.
