Wednesday, August 28, 2019
2 to 3 p.m. (Eastern)

U.S. Citizenship and Immigration Services (USCIS) invites you to our webinar on filing certain USCIS forms and the benefits of having an online USCIS account.

We will hold the webinar on two different dates with material geared for two different audiences:

- **Attorneys and accredited representatives:** Please attend the webinar on Wednesday, August 21. [RSVP here](#).
- **Applicants for immigration benefits:** Please attend the webinar on Wednesday, August 28. [RSVP here](#).

The webinar will be from 2 to 3 p.m. (Eastern) on both dates.

Subject matter experts will highlight available online myUSCIS tools and demonstrate how applicants and their attorneys or representatives can file a form online. **Please note that we will not be able to answer case-specific questions.**

myUSCIS is an online service that helps users navigate the immigration process. It offers up-to-date case status information, naturalization preparation tools, and resources to help applicants determine which benefits they may be eligible for. Through myUSCIS, users can also establish an account and file several forms online.
