Temporary Protected Status Extension for Haiti May 31, 2017 3-4 p.m. (Eastern)

Dear Stakeholder,

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a stakeholder teleconference on **Wednesday, May 31**, from **3-4 p.m. Eastern** to discuss the six-month Temporary Protected Status (TPS) extension for eligible nationals of Haiti (and those without nationality who last habitually resided in Haiti).

On May 22, 2017, Secretary of Homeland Security John F. Kelly announced that TPS for eligible nationals of Haiti would be extended for a limited period of six months, effective July 23, 2017, through Jan. 22, 2018.

During this teleconference, USCIS officials will share information about the TPS re-registration period and procedures for eligible Haitian nationals and respond to your questions. We cannot provide case-specific assistance. You may visit our website for [help finding legal services](#).

Additional information on TPS for Haiti—including guidance on eligibility, the application process, and where to file—is available online at www.uscis.gov/tps. Find further details on this extension of TPS for Haiti, including application requirements and procedures, in the [Federal Register](#).
