**TO:** USCIS National Stakeholders

**FROM:** U.S. Citizenship & Immigration Services - Office of Public Engagement

**SUBJECT:** Stakeholder Engagement to Discuss USCIS Citizenship Public Education and Awareness Initiative  
**Wednesday, December 15, 2010 @ 2:00 pm (Eastern)**  
111 Massachusetts Ave NW  
Room 8008  
Washington, DC 20529

The USCIS Office of Citizenship and Office of Public Engagement invite you to participate in a discussion on plans to implement a national initiative to raise awareness about the rights, responsibilities, and importance of U.S. citizenship and the free educational tools and resources available to help eligible permanent residents prepare for citizenship.

USCIS has contracted with a full-service marketing and advertising firm to create a strategic plan and develop public service advertisements (PSAs), outreach tools, and educational content. During this session, the Office of Citizenship and the advertising firm would like to hear your input on existing citizenship awareness initiatives and suggestions for how USCIS can best implement a national effort. We are interested in learning about communities in need of citizenship information, factors that influence an individual's decision to seek U.S. citizenship, and innovative messages to reach the target audiences. We also seek your input on ways USCIS can work with organizations to support the initiative nationwide.
