The Office of Public Engagement invites you to participate in the first quarterly stakeholder meeting with the Field Operations Directorate.

On January 6, 2010, Director Mayorkas announced the realignment of USCIS organizational structure to better reflect Agency priorities and responsibilities. The Field Office Directorate was created to foster greater innovation and achieve greater efficiency in delivery of immigration services.

We are hosting an engagement session with the head of our Field Office Directorate, Debbie Rogers, and regional and district directors, on May 25, 2010. We want to frame this first discussion on issues of immediate interest to you. To that end, we ask that you submit suggested topics or themes to us. Please send your ideas to Courtney Winship, at [courtney.winship@dhs.gov](mailto:courtney.winship@dhs.gov) by COB May 18, 2010.

There are two ways to attend this meeting:

**In person** – please provide your full name and the organization you represent to Courtney Winship, at [courtney.winship@dhs.gov](mailto:courtney.winship@dhs.gov) or (202) 272-1273 by COB Friday, May 21st.

Be sure to arrive at least 15 minutes early to allow extra time to be processed through security and bring a photo I.D.

**Via telephone** – call-in information will be provided when you respond. Please provide your full name and the organization you represent to Courtney Winship, at [courtney.winship@dhs.gov](mailto:courtney.winship@dhs.gov) by COB Friday, May 21st.

We look forward to engaging with you!
