SUBJECT: Teleconference on Federal Funding for Citizenship Preparation Services
Tuesday, November 23, 2010 @ 1:00pm (Eastern)

The USCIS Office of Public Engagement and Office of Citizenship invite you to participate in a teleconference to discuss federal funding for citizenship preparation services. During this session, the Office of Citizenship would like to hear your feedback on gaps in existing naturalization preparation resources, and how federal funding can help best address these service gaps. We are interested in learning about promising practices in citizenship preparation and innovative programs that reach underserved populations. We also seek your input on ways USCIS can help organizations navigate the federal grant application process, and better understand and respond to USCIS funding opportunities. USCIS will also address questions and concerns from stakeholders.
