

Webinar Invitation

Step-by-step Overview of the USCIS ELIS Document Library
Tuesday, August 5, 2014
2:00-3:00 p.m. (Eastern)

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a stakeholder webinar on **Tuesday, August 5, 2014**, from **2:00-3:00 p.m. (Eastern)** to demonstrate how the new document library functionality works.

In response to stakeholder feedback, USCIS added a document library to facilitate submission of [Form I-526, Immigrant Petition by Alien Entrepreneur](#). The [USCIS ELIS](#) Document Library allows regional centers to provide existing investors in new commercial enterprises with electronic copies of documents regarding their investments, including organizational, transactional, and offering documents. EB-5 immigrant investors can access electronic copies of documents regarding their investment, attest that the documents are true and accurate copies and supplement their electronic or paper-based Form I-526 petition with documents stored in the document library.
