

E-Verify Self Check Webinars

The USCIS Verification Division and the Office of Public Engagement invite any interested parties to participate in a series of webinars on E-Verify Self Check. E-Verify Self Check, the first service offered directly to individuals by E-Verify, is a simple online service that allows an individual to check his or her own employment eligibility in the United States. E-Verify Self Check will initially be available in the following locations: Colorado, Idaho, Mississippi, Arizona, Virginia and the District of Columbia. During these webinars, USCIS will describe the service, discuss the availability of the service and provide a demonstration.
