A Conversation with Director Mayorkas:

EB-5 Immigrant Investor Program

September 14, 2011 @ 10:00AM (EDT)

20 Massachusetts Ave, NW
Washington, DC 20529

USCIS announces the launch of *Conversations with the Director*, a series of small group sessions to discuss policy issues that are of relevance to our stakeholders. During the sessions, members of the public will have the opportunity to meet with USCIS Director Alejandro Mayorkas and senior members of the USCIS leadership team to discuss discrete policy issues.

The first of these engagements will be held on September 14, 2011 at 10:00 am (Eastern) and will focus on economic development in the context of the EB-5 (Immigrant Investor) program. This small group discussion will complement the existing quarterly EB-5 engagements, the next of which will take place on September 15, 2011 at 1:00 pm (Eastern), by allowing for a more in-depth dialogue on discrete policy issues related to the EB-5 program.

You may attend this engagement either in-person or by teleconference, however those attending via phone will be in **listen-only mode**. If you wish to attend **in-person**, attendance is **limited to the first 25 people who register**. The session will be intentionally limited to 25 people in order to allow for a robust, in depth discussion. Additionally, in-person participation will be limited to one person per organization or practice.
