Systematic Alien Verification for Entitlements (SAVE) Program Teleconference  
Tuesday, September 19, 2017  
2 to 3 p.m. (Eastern)

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a teleconference on Tuesday, September 19, 2017, from 2 to 3 p.m. (Eastern) to learn about the [Systematic Alien Verification for Entitlements \(SAVE\) Program](#). Applicants for public benefits, SAVE user agencies, and the general public are welcome to participate.

SAVE is an information service that provides fast, secure, and reliable verification services to federal, state, and local benefit-granting agencies. Registered agencies use SAVE to determine applicants' eligibility for benefits they provide.

During the engagement, USCIS representatives will provide an overview of the SAVE Program; share information about SAVE CaseCheck, which allows applicants to track their cases online; review the changes to the Permanent Resident Card (also known as a Green Card) and Employment Authorization Document (EAD); and provide information on other relevant issues that impact the benefit applicant. A question and answer session will follow.
