Designation of Syria for Temporary Protected Status

**Thursday, March 29, 2012**

**3:00 – 4:00 pm (EDT)**

Secretary Napolitano announced that Temporary Protected Status (TPS) will be extended to eligible Syrian nationals as of March 29, 2012. Please join USCIS officials in a discussion about TPS and other relief measures available to Syrian nationals in the United States.

While we welcome the participation of all interested stakeholders, we are particularly interested in hearing from those who engage frequently with the Syrian community in the United States in order to share information about the TPS registration process and respond to questions or concerns you may have.
