Form I-601 Notice of Intent
Tuesday, January 10, 2012 @ 2:00 pm (EST)
Room 8008, 111 Massachusetts Ave NW, Washington DC

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a stakeholder engagement to discuss the [Notice of Intent](#) posted in the Federal Register outlining a plan to streamline the process of filing Form I-601, *Application for Waiver of Grounds of Inadmissibility*.

The notice of intent [outlines a process](#) that would allow certain individuals who are seeking permanent residence and are immediate relatives of U.S. citizens to apply for and be granted *provisional waivers* of inadmissibility before leaving the U.S. for consular processing of their immigrant visa applications. This would apply to individuals whose only ground of inadmissibility is unlawful presence.

During this session, USCIS will provide an overview of how these proposed process changes may affect filing and adjudication and address questions from stakeholders.
