USCIS's First
National Stakeholder Symposium
Tuesday, June 26, 2012
8:00 am – 4:00 pm (Eastern)
United States Institute of Peace
Washington, DC

U.S. Citizenship and Immigration Services (USCIS) Director Alejandro Mayorkas cordially invites stakeholders to participate in a day-long national stakeholder symposium on Tuesday, June 26, 2012.

The symposium will provide an opportunity for stakeholders to share how our strategic priorities and recent initiatives impact the diverse communities we serve and to engage with agency leadership on our policies and programs. We look forward to a mutually-engaging opportunity to provide updates on recent activities and gather stakeholder insights on our path forward.

The symposium will encompass plenary sessions and a series of breakout discussions to address, in more detail, key elements of our strategic priorities interest. Topics will include:

- Attracting Entrepreneurial Talent to the U.S.: The Entrepreneurs in Residence (EIR) Initiative and Other Opportunities to Promote Economic Growth
- USCIS's Electronic Immigration System (USCIS ELIS): Opportunities and Challenges for an Online Immigration Future
- Protecting the Integrity of the Immigration System: Trends and Program Enhancements
- A Commitment to America's Humanitarian Responsibilities
- Meeting Today's Business Needs
- Meeting the Needs of a Diverse Customer Base

To participate in the symposium
