This engagement will provide an opportunity for stakeholders to meet with USCIS officials to discuss student and academic-related immigration issues. Representatives from NAFSA: Association of International Educators, U.S. Immigration and Customs Enforcement's Student and Exchange Visitor Program (ICE SEVP), U.S. Customs and Border Protection (CBP), along with various designated school officials (DSOs) will be present to share information and answer questions. Topics for discussion include I-140 petitions and I-765 and I-485 applications, trends in higher education, and technology issues such as e-filing and SEVIS/CLAIMS interfaces.
