USCIS ELIS and the EB-5 Immigrant Investor Program

Thursday, May 23, 2013 @ 12:30 p.m. (Eastern)

8008 Conference Room

111 Massachusetts Ave., NW

Washington, DC 20529

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a conversation regarding USCIS ELIS and the EB-5 Immigrant Investor Program on **Thursday, May 23, 2013, from 12:30 p.m. to 2 p.m. (Eastern)**.

[Form I-526](#), Immigrant Petition by Alien Entrepreneur, will be the first of the EB-5 forms available for e-filing in [USCIS Electronic Immigration System](#) (ELIS). At the March 28th stakeholder teleconference, we heard concerns about multiple investors submitting the same documentation with the Form I-526. To address this concern, we plan to add a “document library” to USCIS ELIS later in the year. The document library will allow Form I-526 petitioners to share documents related to a new commercial enterprise that were previously submitted with an approved [I-924](#), Application for Regional Center, rather than submitting these same documents with the Form I-526. During this engagement, USCIS officials will give an overview of the concept for the document library and solicit feedback regarding managing access to the document library; uploading and storing documents; and Regional Center and Investor expectations.
