FAST SECURE RELIABLE

The Systematic Alien Verification for Entitlements (SAVE) Program

If you are a noncitizen or naturalized citizen, this agency may check your immigration status using SAVE before granting you a public benefit, such as a Social Security card, health benefits or a state-issued driver's license.

SAVE helps us check YOUR status so WE can determine your eligibility for benefits. SAVE does not decide whether you are eligible for a specific benefit or license. We do!
