

An Invitation from U.S. Department of Homeland Security

U.S. Citizenship and Immigration Services' Systematic Alien Verification for Entitlements (SAVE) Program offers several training opportunities to prospective, new and current agencies, including webinars and other customized training to meet your agency's specific needs. Webinars are an easy and free opportunity to learn about the SAVE Program and the verification process from SAVE representatives. We invite you to view our upcoming webinar schedule below. For information on how to participate, visit our website at www.uscis.gov/SAVE and click on Request a SAVE Webinar.

July / August 2013 Webinar Schedule

SAVE Program Overview

This webinar provides a general overview of the SAVE Program, including the program's mission and a description of the verification process. Participants will understand how the SAVE Program can support agencies in verifying the immigration status of benefit applicants, and have an opportunity to ask questions about the program. This webinar is appropriate for prospective customers interested in the SAVE Program. Length of session is 1.5 hours.
