

NÃO ESTÁ VERIFICADO NO SAVE ?

Há diferentes motivos para o seu status não ter sido verificado.

Veja aqui os motivos mais comuns e o que você pode fazer.

Se...

you have changed your name or other personal information recently or if there are errors in your documents of immigration...

you have recently received an updated immigration document...

you have received a TPS (Temporary Protected Status, Status de proteção temporário)...

Então...

it may be necessary for you to correct your immigration records. To begin this process, make an appointment to visit your local USCIS office of immigration by visiting the website <http://infopass.uscis.gov> or call for the National Customer Service Center at number 1-800-375-5283 for more information.

certify that you are presenting your updated document. This will help to verify your status in a quick and correct way.

you must inform the agency, as you may have received an automatic extension of your work authorization document. For more information about automatic TPS extensions, visit www.uscis.gov/tps.
