What myE-Verify has for you:

myE-Verify is a free website from the Department of Homeland Security designed for the U.S. worker and job seeker. myE-Verify offers you tools to:

- ✔ Confirm your records for employment eligibility
- ✔ Learn your employee rights and responsibilities
- ✔ Guard against identity theft in E-Verify

Here are some myE-Verify features:

Self Check: Check your work authorization in E-Verify.

Resource Center: Access multimedia resources about employee rights and employers' responsibilities in E-Verify.

Case Tracker: Track the status of your E-Verify case.

Case History: For your security, see where and when your information has been used in E-Verify.

Self Lock: Protect your social security number from being misused in E-Verify.
