FULL ANNOUNCEMENT

I. Funding Opportunity Description

Program Overview and Priorities

The Office of Citizenship (OoC), within U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS), is charged with promoting instruction and training on the rights and responsibilities of citizenship. USCIS recognizes that naturalization is an important milestone in the civic integration of immigrants. Naturalization requirements, such as knowledge of basic English and of U.S. history and civics, encourage civic learning and build a strong foundation upon which immigrants can exercise their rights and responsibilities. Through preparing for naturalization, immigrants will gain the tools to become successful citizens—ready to exercise their rights and meet their responsibilities as United States citizens.

The goal of the Citizenship and Integration Grant Program is to expand the availability of high quality citizenship preparation services for lawful permanent residents in communities across the nation. Additional activities that support this goal include making citizenship instruction and naturalization application services accessible to low-income and other underserved lawful permanent resident populations; developing, identifying, and sharing promising practices in citizenship preparation; supporting innovative and creative solutions to barriers faced by those seeking naturalization; increasing the use of and access to technology in citizenship preparation programs; and engaging receiving communities in the citizenship and civic integration process.

Request for Proposals

In fiscal year (FY) 2013, \$9,873,000 in federal funding is available for eligible organizations to provide direct citizenship preparation services to lawful permanent residents.

Proposed citizenship preparation activities **must** include the following two components:

- 1. Citizenship instruction** to prepare lawful permanent residents for the civics (U.S. history and government) and English (reading, writing, and speaking) components of the naturalization test. Program design must include the use of a nationally normed standardized test of English proficiency for student placement and assessment of progress, and the provision of at least 40 hours of citizenship instruction over a 10-15 week class cycle for students at or below the NRS¹ high beginning level and at least 24 hours of citizenship instruction over a 10-15 week class cycle for all other students.
- 2. Naturalization application services**, within the scope of the authorized practice of immigration law, to support lawful permanent residents in the naturalization application and interview process. Services must include the provision of naturalization eligibility screening, the preparation and submission of Form N-400, Application for Naturalization and Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative, and ongoing case management. Services may also include interview preparation, a representative's appearance at the naturalization interview, and filing of other forms or documents (such as Form N-648, Medical Certification for Disability Exceptions), if applicable.

¹ National Reporting System for Adult Education (NRS)

Partnerships

Partnerships are encouraged. Applicants may include partnerships with other public or non-profit organizations in their proposal. The principal applicant must directly provide either citizenship instruction or naturalization application services, or both. A partner organization is considered a “sub-awardee” if the organization will receive a portion of the grant funding to provide additional or complementary direct citizenship instruction or naturalization application services.

The applicant must complete a Memorandum of Understanding (MOU) with the sub-awardee. The applicant must clearly demonstrate how it will monitor the sub-awardee’s performance and ensure that the sub-awardee complies with all grant award conditions and data reporting requirements. Sub-awardees must have their own individual Data Universal Numbering System (DUNS) number and will be responsible for financial and performance reporting. If the partner organization will not receive a portion of the grant funds, then the partner is **not** considered a sub-awardee, and would not be required to complete an MOU or obtain a DUNS number.

4. *Certification Regarding Lobbying* is missing.
5. The applicant's Authorized Organization Representative (AOR) is not registered with the System for Award Management (SAM).

Non-Responsive Applications

An application will be deemed non-responsive by DHS and **not considered for review** if:

1. The applicant or proposed sub-awardee is a current awardee or sub-awardee under the FY 2012 Citizenship and Integration Grant Program funding opportunity DHS-12-CIS-010-002.
2. The application does not include a Budget Narrative or a Budget Table.
3. The Project Narrative is missing.
4. The Project Narrative does not include each of the four headings identified in Section IX.5, Project Narrative, Format Requirements.

Review Process

DHS will conduct an initial review of applications to determine the responsiveness of the application. If an applicant is determined to be ineligible (see Eligibility Criteria on pp. 5-6) or an application is determined to be non-responsive, DHS will notify the applicant. All responsive and eligible applications will be reviewed as described below:

1. DHS will assemble reviewers which may include both federal and non-federal reviewers to review the eligible applications. Reviews of submitted applications will be conducted either on site or by remote review.
2. Teams of technical reviewers will review each eligible application against the evaluation criteria. The reviewers will assign a score and provide summary comments based on the evaluation criteria identified on pages 9-10.
3. An application may be selected for a post-review quality control and possible rescore if it received significantly diverging scores and comments from reviewers.
4. An internal review panel consisting of DHS staff will review the highest ranked applications and make final funding recommendations. The internal review panel may take applications out of rank order in consideration of geographic balance, and/or Citizenship and Integration Grant Program past performance (if applicable). (See "Strategic Program Priorities" on page 10.)
5. DHS may perform an additional review of the applicant organization and any sub-awardees and/or its key personnel. This may include reviewing publicly available materials and/or government databases and may have a bearing on award outcome.
6. After the technical review and before making final funding decisions, DHS may contact the highest ranking applicants to seek clarification and to negotiate technical and programmatic aspects of the application. If an application includes a sub-awardee that will provide additional or complementary direct grant-funded services in partnership with the main applicant, DHS may request to speak with all parties included in the application to ensure sufficient planning and coordination has taken place prior to making an award.
7. **Confidentiality and Conflict of Interest.** Technical and cost proposals submitted under this funding opportunity will be protected from unauthorized disclosure in accordance

with applicable laws and regulations. DHS may use one or more support contractors in the logistical processing of proposals. However, funding recommendations and final award decisions are solely the responsibility of DHS personnel.

DHS screens all technical reviewers for potential conflicts of interest. To determine possible conflicts of interest, DHS requires potential reviewers to complete and sign conflicts of interest and nondisclosure forms. DHS will keep the names of submitting institutions and individuals as well as the substance of the applications confidential except to reviewers and DHS staff involved in the award process. DHS will destroy any unsuccessful applications after three years following the funding decision.

8. DHS strongly discourages, and will not consider, any materials submitted by or on behalf of the applicant (e.g., letters of support) other than those materials specifically requested in this funding opportunity announcement.
9. DHS will notify all applicants electronically of funding decisions. Unfunded applicants may send a written request to citizenshipgrantprogram@uscis.dhs.gov to receive a written summary of comments related to the evaluation criteria, along with the points awarded to the application for each of the evaluation criteria within 60 days. Additional information beyond that described here will not be provided.

7. Budget Table and Narrative (10 Points)

See also Section IV. Funding Restrictions.

When proposing costs for this grant program, ensure that the budget shows a reasonable balance of costs between the citizenship instruction program and the naturalization application services program.

If a **sub-awardee** is proposed, applicants must provide a separate sub-awardee budget narrative and table following the same format and with the same level of detail as that of the applicant (i.e., by Object Class Category/Cost Classification). Each sub-awardee budget and supporting detail should be separate from the applicant’s budget narrative.

If any fees are proposed that will result in program income, show in the budget how this income will be used.

Budget Table

Provide your budget request in a table format. Include all budget categories, as listed in the budget narrative section. Under each category, list the line items requested. See a sample table below. Note: This sample table shows the Personnel category only. Applicants must provide information on all budget categories.

The Budget Table may be provided either in the same document as the budget narrative, or uploaded as a separate document under the “Other Attachments” form found under the “Optional Documents” section of the application package.

Budget Narrative (Double-spaced, no page limit)

Attach your budget narrative (including separate budget narratives for each proposed sub-awardee) to the form named “Budget Narrative Attachment” in the application package. If you need to add more documents than this form will allow (i.e., sub-awardee budgets or budget table), please use the “Other Attachments” form found under the “Optional Documents” section of the application package.

Include costs for the first and second performance years. Separate the first performance year costs from the second performance year costs. Show a total of all requested federal grant funds. This total should match the total listed on the project abstract. Budget categories **b – i** below should add up to this total. This total should **not** include any in-kind costs. The in-kind contribution total should be listed separately.

Provide budget information in the order listed below. Budget detail is required for:

- a. **In-Kind Costs**: The dollar value of non-cash donations to the project. These donations may be in the form of space, supplies, salaries, etc. The costs should be calculated at the verifiable fair-market value.
- b. **Personnel**: Costs of employee salaries and wages. For each staff person, provide the name (if known), title, time commitment to the project as a percentage of a full-time equivalent (FTE), annual salary, and grant funded salary. Do not include the costs of consultants. Consultants are to be included under “Contractual.”
- c. **Fringe Benefits**: Costs of employee fringe benefits unless treated as part of an approved indirect cost rate. Provide the method used to calculate the proposed rate amount. If a fringe benefit has been negotiated with, or approved by, a cognizant federal agency, **attach a copy of the negotiated fringe benefit agreement**. If no rate agreement exists, provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, FICA, retirement insurance, taxes, etc. Identify the base for allocating these fringe benefit expenses. (Attach the agreement using the “Other Attachments” form found under the “Optional Documents” section of the application package.)
- d. **Travel**: Costs of project-related travel by employees of the applicant organization (do not include costs of sub-contractor or consultant travel). For each proposed trip, provide the purpose, number of travelers, travel origin and destination, number of days, and a breakdown of costs for airfare, lodging, meals, car rental, and incidentals. The basis for the airfare, lodging, meals, car rental, and incidentals must be provided, such as past trips, current quotations, Federal Travel Regulations, etc. Foreign travel is not permitted. The applicant must include costs for two staff members to attend a **mandatory** two-day grant recipient orientation training in Washington, D.C., and costs for one staff member to attend mandatory two-day training in Washington, D.C. the second year of the grant.
- e. **Equipment**: Any article of nonexpendable, tangible personal property having a useful life of more than one year and an acquisition cost which equals or exceeds the lesser of (a) the capitalization level established by the organization for financial statement purposes, or (b) \$5,000. For each type of equipment requested, provide a description of the equipment, the cost per unit, the number of units, the total cost, and a plan for use on the project, as well as use or disposal of the equipment after the project ends. An applicant organization that uses its own definition for equipment should provide a copy of its policy or section of its policy which includes the equipment definition.

NOTE 1: Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, calibration and maintenance services, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation shall be included in or excluded from acquisition cost in accordance with the organization's regular written accounting practices.

NOTE 2: Prior to the purchase of equipment in the amount of \$5,000 or more per unit cost, the Recipient must obtain the written approval from DHS. The Recipient shall maintain an annual inventory, which will include a brief description of the item,

serial number and amount of purchase for equipment purchased with grant funds, or received under a grant, and having a \$5,000 or more per unit cost. The inventory must also identify the sub-award under which the equipment was purchased. Maintenance and insurance will be the responsibility of the Recipient. Title of equipment will remain with the Recipient until closeout when disposition will be provided in writing by DHS within 120 days of submission of final reports.

- f. **Supplies:** Costs of all tangible personal property other than that included in the equipment category. Specify general categories of supplies and their costs. Show computations and provide other information which supports the amount requested.
- g. **Contractual:** Costs of all contracts for services and goods except for those that belong under other categories such as equipment, supplies, construction, etc. Include third party evaluation contracts (if applicable) and contracts with secondary recipient organizations.

Demonstrate that all procurement transactions will be conducted in a manner to provide, to the maximum extent practical, open and free competition. Identify proposed sub-contractor work and the cost of each sub-contractor. Provide a detailed budget for each sub-contractor that is expected to perform work estimated to be \$25,000 or more, or 50% of the total work effort, whichever is less.

- Identify each planned subcontractor and its total proposed budget. Each subcontractor's budget and supporting detail should be included as part of the applicant's budget narrative.
- Provide the following information for each planned subcontract: a brief description of the work to be subcontracted; the number of quotes solicited and received, if applicable; the cost or price analysis performed by the applicant; names and addresses of the subcontractors tentatively selected and the basis for their selection; e.g., unique capabilities (for sole source subcontracts), low bidder, delivery schedule, technical competence; type of contract and estimated cost and fee or profit; and, affiliation with the applicant, if any.
- Recipient may be required to make pre-award review and procurement documents available to DHS, including request for proposals or invitations for bids, independent cost estimates, etc. This may include procurements expected to exceed the simplified acquisition threshold fixed at 41 USC 403(11) (currently set at \$100,000) and expected to be awarded without competition or only one bid or offer is received in response to a solicitation.
- All required flow down provisions in the award must be included in any subcontract.

NOTE: Applicants may propose a sub-contract for specific tasks, such as hiring additional citizenship instructors on a contractual basis. However, the applicant must demonstrate its ability to successfully manage all aspects of the grant-funded project, including financial management. **Private law firms and attorneys in private practice are not eligible to receive funding under this funding opportunity.**

- h. **Other Direct Costs:** Any other items proposed as direct costs. Provide an itemized list with costs, and state the basis for each proposed item.

- i. **Indirect Costs:** Attach a copy of the latest indirect cost rate agreement negotiated with a cognizant federal agency. If the applicant is in the process of initially developing or renegotiating a rate, upon notification that an award will be made, it should immediately develop a tentative indirect cost rate proposal based on its most recently completed fiscal year, in accordance with the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the cognizant agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. When an indirect cost rate is requested, those costs included in the indirect cost pool should not also be charged as direct costs to the award. If the applicant is requesting a rate which is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed. (Attach the agreement using the "Other Attachments" form found under the "Optional Documents" section of the application package.)

NOTE: If no indirect cost rate agreement is included, no indirect costs should be listed in the proposed budget.

8. Documentation of Non-profit and/or Public Status

The applicant and any proposed sub-awardee must provide documentation of non-profit and/or public status. Any of the following constitutes acceptable proof of non-profit status:

- A reference to the applicant organization's listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations described in section 501(c)(3) of the IRS Code.
- A copy of a currently valid IRS tax exemption certificate.
- A statement from a State taxing body, State attorney general, or other appropriate State official certifying that the applicant organization has a non-profit status and that none of the net earnings accrue to any private shareholders or individuals.

- Any of the items in the subparagraphs immediately above for a State or national parent organization and a statement signed by the parent organization that the applicant organization is a local non-profit affiliate.
- A signed statement on official letterhead by an official authorized to apply for grant funds on behalf of the public entity shall suffice.

The documentation of non-profit and/or public status should be attached to the "Attachments" form found under the "Mandatory Documents" section of the application package.
