**About the Grant Program**

**Q1. What is the purpose of the FY 2017 Citizenship and Assimilation Grant Program: Citizenship Instruction funding opportunity?**

**A1.** The purpose of this funding opportunity is to support the efforts of community-based organizations to establish new citizenship instruction programs or expand the quality and reach of existing citizenship instruction programs.

**Q2. What is different about this year's program?**

**A2.** There are a few important changes to this year's grant program. This year's program has incorporated two additional requirements in the area of citizenship instruction, which include:

- A requirement that applicants use a standardized civics test provided by USCIS to measure the acquisition of information leading to test preparedness and immigrant assimilation.
- A requirement that applicants and/or any sub-awardees that propose to provide citizenship instruction include activities that promote civic and linguistic assimilation in the citizenship instruction program design.

**Q3. Where can I send questions?**

**A3.** Send questions about the [grant program](#) to [citizenshipgrantprogram@uscis.dhs.gov](mailto:citizenshipgrantprogram@uscis.dhs.gov). For questions about [Grants.gov](#), email [support@grants.gov](mailto:support@grants.gov) or call 1-800-518-4726. The Grants.gov Contact Center is open 24 hours a day, 7 days a week.

Questions and Answers**

**Q8. We provide citizenship instruction and have our own assessment process, but we do not yet use a nationally normed standardized test. Are we still eligible for this grant?**

**A8.** Yes. You do not need to have past experience using a nationally normed standardized test. You must currently offer and have at least one year of experience providing English as a Second Language (ESL) instruction in a classroom setting that follows a curriculum. However, your program design for this grant program must indicate that you will use a nationally normed standardized test of English proficiency for student placement and assessment.

Organizations with Multiple Offices

**Q9. We are a college with multiple locations, and we have the same federal ID number. Will you accept more than one application from us using the same federal ID number?**

**A9.** Under this funding opportunity, your organization must be a nonprofit with 501(c)(3) status, other than an institution of higher education. As a college, your organization would be considered an institution of higher education, and therefore ineligible for this funding opportunity.

#### **Questions and Answers**

**Q3. Can my organization provide general ESL classes or Adult Basic Education under this funding opportunity?**

**A3.** No. This grant funds citizenship instruction to prepare lawful permanent residents for naturalization. You must demonstrate that your organization will offer integrated citizenship instruction that prepares lawful permanent residents for the naturalization test and interview that includes:

- Activities that promote civic and linguistic assimilation in the citizenship instruction program design;
- Instruction in U.S. history and government;
- ESL instruction in reading, writing, and speaking; and
- Instruction on the naturalization process and eligibility interview.

**Q4. We currently offer ESL classes, and many of our citizenship students participate in those same classes. Our ESL classes are funded through other grants. Will that arrangement allow us to provide services to individuals who are not lawful permanent residents?**

**A4.** You must ensure that USCIS grant-funded citizenship preparation services are provided to **only** lawful permanent residents. This requirement does not affect other programs that are funded by other sources.

**Q5. There is a requirement that students must be assessed using a nationally normed standardized assessment test. What does this mean?**

**A5.** In the context of citizenship education, this refers to specific tests used to determine a student's English language proficiency. A list of standardized tests that the Department of Education has determined to be suitable is available in the [Federal Register](#) and in the notice of funding opportunity.

**Q6. Are all students and clients required to take the nationally normed standardized test regardless of their English proficiency level?**

**A6.** All students enrolled in citizenship instruction classes under this grant program must take the standardized test, in the form of both a pre instruction assessment and a post instruction assessment.

**Q7. How should I balance USCIS's minimum instructional hour requirements with the instructional hours required by the vendors of nationally normed standardized tests?**

**A7.** The minimum instructional hour requirements for this grant program are listed in the notice of funding opportunity. You may offer more instructional hours than the minimum requirement. A greater number of instructional hours may correspond better with test vendor requirements. However, you still must use a nationally normed standardized test of English proficiency for the citizenship instruction program, even if you offer a class with fewer instructional hours than the test vendor recommends.

**Q8. Is my organization required to use paid instructors to teach citizenship classes?**

**A8.** Yes, you are required to use at least one paid instructor. We encourage grant recipients to dedicate the majority of grant funds to paying the salary of a qualified instructor or instructors. - Hold a degree in Teaching English to Speakers of Other Languages (TESOL); and/or
- Hold TESOL certification from a state licensing agency; and/or
- Provide substantial documentation of experience in TESOL instruction in a classroom setting for a program that has a structured curriculum.

Using volunteers can enhance a program's service offerings, but volunteers must have adequate training and support. If you propose to use volunteers to teach citizenship instruction, you must demonstrate that the program has a comprehensive volunteer-training program and sufficient program oversight by a paid lead teacher who is qualified to manage and oversee an adult education program. A paid lead teacher must supervise the volunteers.

**Q9. Are all citizenship teachers required to have one year of teaching experience?**

**A9.** All citizenship teachers that will lead classroom instruction under this grant must have at least one year of experience teaching ESL or citizenship to adults and:

- Hold a degree in TESOL; and/or
- Hold TESOL certification from a state licensing agency; and/or
- Provide substantial documentation of experience in TESOL instruction in a classroom setting for a program that has a structured curriculum.

**Q10. May I propose to use volunteers as citizenship teachers?**

- Hold TESOL certification from a state licensing agency; and/or
- Provide substantial documentation of experience in TESOL instruction in a classroom setting for a program that has a structured curriculum.

Also, a paid lead teacher or a paid education program coordinator must supervise volunteer teachers. If volunteers do not have requisite experience, we encourage you to use these volunteers to provide tutoring or to assist teachers in the classroom.

**Q11. Are we required to provide an equal number of hours of citizenship instruction for every week of the cycle?**

**A11.** No. You are not required to provide an equal number of hours of citizenship instruction for every week of the class cycle. However, most successful applicants have a fixed schedule that does not vary from week to week. If you propose to provide a varying number of hours per week, please note this in the class cycle table in the project abstract, and explain the schedule in the project narrative.

**Q12. Is my organization required to offer more than one level of citizenship instruction?**

**A12.** No. However, we have observed that successful citizenship instruction programs offer more than one class level to meet the different instructional needs of students. Applicants offering a multi-level class should explain how the different levels will be managed in the classroom. Most successful applicants offer leveled instruction.

**Q18. Can organizations limit services based on national origin, ethnicity, religion, or language?**

**A18.** No. You must serve eligible participants regardless of their ethnic or religious backgrounds, national origin, or the language they speak.

**Q19. A lot of the individuals we serve are exempt from the English language requirement. Can we still serve them with this grant funding?**

**A19.** Applicants may propose to serve students who are exempt from the English language requirement. However, the majority of the citizenship instruction provided through this grant should include both an English component and a civics (U.S. history and government) component. Enrollment of students in classes not conducted in English will not count towards enrollment goals.

**Q20. Does USCIS require applicants to screen for income eligibility?**

**A20.** No. There are no income eligibility requirements under this funding opportunity.

**Q21. Does USCIS plan to collect client names and personal data?**

**A24.** You can count all individuals receiving grant-funded services (citizenship instruction conducted in English) toward the goals for the number of permanent residents who enroll in citizenship classes.

**Q25. We are a smaller organization and would like to apply for less than the maximum award amount. If we apply for half of the maximum award amount, are we still required to meet the outcomes of 125 students enrolled and post-tested?**

**A25.** Yes. You may request less than the maximum award amount of \$100,000. However, all applicants must enroll a minimum of 125 lawful permanent residents in citizenship classes and show that 80% of post-tested students achieve measurable educational gains over the two-year performance period.

**Evaluation**

**Q1. Will USCIS favor organizations with limited resources over organizations with substantial resources that do not necessarily need additional funding?**

**A1.** No. An organization's net worth is not one of the evaluation criteria for the Citizenship and Assimilation Grant Program.

**Q2. What point values will USCIS use to evaluate applications?**

**A2.** You can find the evaluation criteria and corresponding point values on pages 24 and 25 of the notice of funding opportunity.

**Q3. How can I obtain feedback about my organization's application so that I am better prepared to apply in the future?**

**A3.** After we announce the FY 2017 grant recipients, applicants who did not receive a grant may request a written summary evaluation and score breakdown by emailing [citizenshipgrantprogram@uscis.dhs.gov](mailto:citizenshipgrantprogram@uscis.dhs.gov). We will send you the results within 60 days from the date we receive the written request.

**Q4. If my organization received a USCIS grant in the past, do I receive preference over organizations applying for the first time?**

**A4.** Former awardees and sub-awardees under the Citizenship and Integration Grant Program and the Citizenship Grant Program are not eligible to receive funding with this opportunity.

**Q5. Will the use of technology in the classroom impact how USCIS rates my application?**

**A5.** During the technical review process, we will not assign points for the use of technology. However, before making an award, we may consider several strategic program priorities, including whether an application incorporates the use of technology in the citizenship instruction classroom.

Funding Opportunity DHS-17-CIS-010-001  
Questions and Answers**

**Q6. May I request a top-scoring proposal from the FY 2016 grant program?**

**A6.** You may submit a [Freedom of Information Act \(FOIA\) request](#) to view a top-scoring proposal from the FY 2016 grant program. However, the grant program requirements for this funding opportunity are different from the funding opportunity last year, and a proposal from last year will not exactly match the requirements of the current notice of funding opportunity. Keep in mind that it may take more than a month to obtain a response to a FOIA request.

**Q7. The notice of funding opportunity states that USCIS may consider whether an application, when balanced with other potential awards and current grant recipients, represents a diverse geographic area. What does this mean?**

**A7.** When making an award, we may consider the balance of geographic areas represented by the applicants and current grant recipients. We seek to maximize the number of permanent residents across the United States who can receive services through this grant program.

**Q8. When making awards, does USCIS consider the needs of the region and the existing services in that region?**

**A8.** It is your responsibility to demonstrate and provide evidence of your community's need for citizenship preparation services. We may consider whether an application, when balanced with other potential awards and with current grant recipients, represents a diverse geographic area.

**Q9. Does USCIS prefer to fund organizations in a particular region in the United States?**

**A9.** No. You must demonstrate and provide evidence of your community's need for citizenship preparation services. We may consider whether an application, when balanced with other potential awards and with current grant recipients, represents a diverse geographic area.

**Q10. Does USCIS award any points for the project abstract?**

**A10.** We will not give points specifically for the project abstract, but reviewers will consider sections of the project abstract (such as the class table) when scoring an application.

**Q11. Can you suggest a website that can help us specifically research lawful permanent resident populations? In the past, we have lost points because we've only been able to break down data by foreign-born populations.**

**A11.** For data on lawful permanent residents, you may check the DHS Office of Immigration Statistics. Please note that the sections on community need in this year's notice of funding opportunity ask you to discuss the lawful permanent resident population that your organization *currently serves* and that population's need for citizenship instruction services.
