Source: AAO. This chart indicates merit dispositions of appeals for common case types. The I-140 NIW category includes what was previously designated as I-140I. The I-360 VAWA category includes I-360 I, J and K classifications. This chart does not include motions, certifications, or non-merit appeal dispositions (e.g., rejections, summary dismissals, and withdrawals). AAO decisions to remand are indicated because, for certain categories, the AAO may not sustain an appeal and grant a benefit outright until certain administrative tasks are completed by the field office.

Note: The reported forms may vary from year to year as the volume of cases change throughout the five-year span. The forms listed are the most common case types that AAO receives.
