Program Overview, Objectives, and Priorities

The Office of Citizenship (OoC), within U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS), is charged with promoting instruction and training on the rights and responsibilities of citizenship. USCIS recognizes that naturalization is an important milestone in the civic integration of immigrants. Naturalization requirements, such as knowledge of English and of U.S. history and civics, encourage civic learning and build a strong foundation upon which immigrants can exercise their rights and responsibilities. Through preparing for naturalization, immigrants will gain the tools to become successful citizens—ready to exercise their rights and meet their responsibilities as United States citizens.

USCIS acknowledges the valuable role that local service provider community-based organizations play in immigrant communities. Due to the strong relationships these agencies often have with immigrants in the local area, these organizations can assist USCIS in its effort to reach underserved populations.

The goal of the Citizenship Instruction grant is to provide support to community-based organizations in their efforts to establish new citizenship instruction programs or expand the quality and reach of existing citizenship instruction programs. Through this funding, USCIS will fund community-based organizations striving to professionalize and increase services to immigrants in the area of citizenship instruction. Verifiable experience in the provision of English as a Second Language (ESL) programming is required to qualify for this funding opportunity. Applicants are required to use existing expertise in ESL instruction to provide citizenship instruction.

Applicants are required to include a copy of the citizenship curriculum and to provide the name of the corresponding textbook intended for use to guide the citizenship instruction throughout the program’s period of performance. OoC reserves the right to suggest changes to curriculum and educational materials after reviewing the applicant’s program during the negotiation period or the first quarter of the funding period. Grant recipients will be required to enroll at least 125 citizenship instruction students and provide a minimum of 40 hours of instruction to each student during the period of performance.
DHS will consider applications that include the cost of Board of Immigration Appeals (BIA) training for staff with the ultimate objective of obtaining BIA accreditation.

The Citizenship Instruction grant addresses the following DHS mission as specified in the Quadrennial Homeland Security Review (QHSR):

Mission 3: Enforce and Administer Our Immigration Laws

Goal 3.1: Strengthen and Effectively Administer the Immigration System

- Promote lawful immigration;
- Effectively administer the immigration services system; and
- Promote the integration of lawful immigrants into American society.

**Request for Proposals**

In fiscal year (FY) 2016, a total of approximately $10,000,000 in federal funding is available for the USCIS Citizenship and Integration Grant Program. It is anticipated that approximately $1,000,000 will be used to fund citizenship instruction through the program described in this funding opportunity. In addition, another $9,000,000 will fund programs that provide both citizenship instruction and naturalization application services through funding opportunity DHS-16-CIS-010-002.

**The proposed citizenship instruction program** must prepare lawful permanent residents for the naturalization test and interview and must include:

- Instruction in U.S. history and government;
- English as a Second Language (ESL) instruction in reading, writing, and speaking;
- Instruction on the naturalization process and eligibility interview;
- The use of a nationally normed standardized test of English proficiency to place and assess progress of all students enrolled under this program. At least 80% of post tested students must demonstrate education gains as evidenced by increased standardized test scores;
- The provision of at least 40 hours of citizenship instruction over an 8-15 week class cycle with managed enrollment to at least 125 students at the National Reporting System for Adult Education (NRS) low beginning to high intermediate level; and
- The use of citizenship teachers who have at least one year of experience teaching ESL to adults.

Grant-funded classes must integrate instruction in U.S. history and government; ESL instruction in reading, writing, and speaking; as well as instruction on the
naturalization process and eligibility interview. For more detailed information on the content and competencies that applicants must address in grant-funded classes, please review the *Guide to the Adult Citizenship Education Content Standards and Foundation Skills* found here: [http://www.uscis.gov/sites/default/files/USCIS/Office%20of%20Citizenship/Citizenship%20Resource%20Center%20Site/Publications/M-1121.pdf](http://www.uscis.gov/sites/default/files/USCIS/Office%20of%20Citizenship/Citizenship%20Resource%20Center%20Site/Publications/M-1121.pdf).

- Recipient may be required to make pre-award review and procurement documents available to DHS, including request for proposals or invitations for bids, independent cost estimates, etc. This may include procurements expected to exceed the simplified acquisition threshold fixed at 41 USC 403(11) (currently set at $100,000) and expected to be awarded without competition or only one bid or offer is received in response to a solicitation.
- All required flow down provisions in the award must be included in any subcontract.

**NOTE**: Applicants may propose a sub-contract for specific tasks, such as hiring additional citizenship instructors on a contractual basis. However, the applicant must demonstrate its ability to successfully manage all aspects of the grant-funded project, including financial management.

h. **Other Direct Costs**: Any other items proposed as direct costs. Provide an itemized list with costs, and state the basis for each proposed item.

i. **Indirect Costs**: Attach a copy of the latest indirect cost rate agreement negotiated with a cognizant federal agency. If the applicant is in the process of
initially developing or renegotiating a rate, upon notification that an award will be made, it should immediately develop a tentative indirect cost rate proposal based on its most recently completed fiscal year, in accordance with the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the cognizant agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. When an indirect cost rate is requested, those costs included in the indirect cost pool should not also be charged as direct costs to the award. If the applicant is requesting a rate which is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed.

Any non-federal entity that has never received a negotiated indirect cost rate (except for those non-federal entities described in Appendix VII to Part 200 States and Local Government and Indian Tribe Indirect Cost Proposals, paragraph D.1.b) may elect to charge a deminimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. As described in §200.403 Factors Affecting Allowability of Costs, expenses must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all federal awards until such time as a non-federal entity chooses to negotiate for a rate, which the non-federal entity may apply to do at any time. For more information, see 2 CFR Part 200.414.

9. Documentation of Non-profit Status

The applicant must provide documentation of non-profit status. Any of the following constitutes acceptable proof of non-profit status:

- A reference to the applicant organization’s listing in the Internal Revenue Service’s (IRS) most recent list of tax-exempt organizations described in section 501(c)(3) of the IRS Code.
- A copy of a currently valid IRS tax exemption certificate.
- A statement from a State taxing body, State attorney general, or other appropriate State official certifying that the applicant organization has a non-profit status and that none of the net earnings accrue to any private shareholders or individuals.
- A certified copy of the organization’s certificate of incorporation or similar document that clearly establishes non-profit status.
- Any of the items in the subparagraphs immediately above for a State or national parent organization and a statement signed by the parent organization that the applicant organization is a local non-profit affiliate.

Note: Attach documentation of non-profit status to the application package.
Unique Entity Identifier and System for Award Management (SAM)

DHS is participating in the Grants.gov Initiative that provides the Grant Community a single site to find and apply for grant funding opportunities; therefore, applicants with electronic access are to submit their applications electronically through http://www.grants.gov/web/grants/applicants/apply-for-grants.html. Before you can apply for a DHS grant at grants.gov, you must have a DUNS number and must be registered in (SAM), and be approved as an Authorized Organizational Representative (AOR).

Applicants are encouraged to register early. The registration process can take four weeks or more to be completed. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required submission deadlines.

DUNS number. Instructions for obtaining a DUNS number can be found at the following website: http://www.grants.gov/web/grants/applicants/organization-registration/step-1-obtain-duns-number.html. The DUNS number must be included in the data entry field labeled "Organizational DUNS" on the Standard Forms (SF)-424 forms submitted as part of this application.

System for Award Management. In addition to having a DUNS number, applicants applying electronically through Grants.gov must register with SAM. Step-by-step instructions for registering with SAM can be found here: http://www.grants.gov/web/grants/applicants/organization-registration/step-2-register-with-sam.html Failure to register with SAM will result in your application being rejected by Grants.gov during the submission process.

Authorized Organizational Representative. The next step in the registration process is creating a username and password with Grants.gov to become an AOR. AORs will need to know the DUNS number of the organization for which they will be submitting applications to complete this process. Applicants must register the individual who is able to make legally binding commitments for the applicant organization as the AOR; this step is often missed and it is crucial for valid submissions. To read more detailed instructions for creating a profile on Grants.gov visit: http://www.grants.gov/web/grants/applicants/organization-registration/step-3-username-password.html. AOR Authorization. After creating a profile on Grants.gov, the E-Biz Point of Contact (POC), who is a representative from your organization listed as the contact for SAM, will receive an email to grant the AOR permission to submit applications on behalf of their organization. The E-Biz POC will then log in to Grants.gov and approve an individual as the AOR, thereby giving him or her permission to submit applications. After you have been approved as an AOR you will be able to submit your application
online. To learn more about AOR Authorization, visit:
http://www.grants.gov/web/grants/applicants/organization-registration/step-4-aor-
authorization.html. To track AOR status, visit:
http://www.grants.gov/web/grants/applicants/organization-registration/step-5-
track-aor-status.html.

**Electronic Signature.** Applications submitted through Grants.gov constitute a
submission as electronically signed applications. When you submit the application
through Grants.gov, the name of your AOR on file will be inserted into the
signature line of the application.

If you experience difficulties accessing information or have any questions please
call the Grants.gov customer support hotline at (800) 518-4726 or email

The Federal awarding agency may not make a Federal award to an applicant until
the applicant has complied with all applicable DUNS and SAM requirements and,
if an applicant has not fully complied with the requirements by the time the
Federal awarding agency is ready to make a Federal award, the Federal awarding
agency may determine that the applicant is not qualified to receive a Federal
award and use that determination as a basis for making a Federal award to another
applicant.

**Intergovernmental Review**

An intergovernmental review may be required. Applicants must contact their

Indirect Facilities & Administrative (F&A) Costs

Indirect Costs are allowable for the grantee and any proposed sub-awardee (if applicable). The applicant must attach a copy of the latest indirect cost rate agreement negotiated with a cognizant federal agency. If the applicant is in the process of initially developing or renegotiating a rate, upon notification that an award will be made, it should immediately develop a tentative indirect cost rate proposal based on its most recently completed fiscal year, in accordance with the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the cognizant agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. When an indirect cost rate is requested, those costs included in the indirect cost pool should not also be charged as direct costs to the award. If the applicant is requesting a rate which is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed.

E. Application Review Information

Application Evaluation Criteria

Prior to making a Federal award, the Federal awarding agency is required by 31 U.S.C. 3321 and 41 U.S.C. 2313 to review information available through any OMB-designated repositories of government-wide eligibility qualification or financial integrity information. Therefore application evaluation criteria may include the following risk-based considerations of the applicant: (1) financial stability; (2) quality of management systems and ability to meet management standards; (3) history of performance in managing a federal award; (4) reports and findings from audits; and (5) ability to effectively implement statutory, regulatory, or other requirements.

DHS will use the following criteria to evaluate applications deemed eligible and responsive. Applicants can receive up to 100 points.

1. Existing Capacity and Community Need (50 Points)

The extent to which the applicant demonstrates:

a. Experience and qualifications providing ESL (and citizenship instruction, if applicable) in a structured classroom setting using a curriculum (25 points);

b. The need for citizenship instruction within the lawful permanent resident community that the applicant serves (5 points);

c. Organizational capacity to establish a new citizenship instruction program or expand an existing one and a plan to manage the establishment of a new citizenship instruction program or the expansion of an existing one (20 points).

2. Proposed Citizenship Instruction Program (45 Points)

The extent to which the applicant proposes a high quality citizenship instruction program to meet the citizenship education needs of the community, including:

a. Feasible and detailed outreach, intake, and student retention plans (5 points);

b. High quality service delivery, curriculum, and class structure (15 points); and
c. Demonstrated experience with administering nationally recognized standardized assessments and feasible plans to use assessments for student placement and tracking student progress (5 points); and

d. Qualified and experienced personnel (20 points).

3. Cost Effectiveness (5 Points)

The extent to which the applicant’s proposed budget is tied to the delivery of programmatic services.

Review and Selection Process

DHS will conduct an initial review of applications to determine the responsiveness of the application. If an applicant is determined to be ineligible (see Section C. Eligibility Information) or an application is determined to be non-responsive, DHS will notify the applicant. All responsive and eligible applications will be reviewed as described below:

1. DHS will assemble reviewers which may include both federal and non-federal reviewers to review the eligible applications. Reviews of submitted applications will be conducted either on site or by remote review.

2. Teams of technical reviewers will examine each eligible application against the evaluation criteria. The reviewers will assign a score and provide summary comments based on the evaluation criteria identified above.

3. An application may be selected for a post-review quality control and possible rescoring if it received significantly diverging scores and disparate comments from reviewers.

4. An internal review panel consisting of DHS staff will review the highest ranked applications and make final funding recommendations. The internal review panel may take applications out of rank order in consideration of strategic program priorities, which are identified below as well as previously stated preferred programmatic characteristics.

5. DHS may perform an additional review of the applicant organization and/or its key personnel. This may include reviewing audit reports, publicly available materials and/or government databases and may have a bearing on award outcome. DHS may request additional materials from the applicant as part of this review, including:
   - The summary letter from the applicant’s most recent audit report; and

---

6 Please see USCIS’ Professional Development Guide for Adult Citizenship Educators for competencies USCIS would expect qualified and experienced personnel to demonstrate in the citizenship instruction classroom.
• Documentation of previous grant award completion that includes the name of the grantor, amount awarded, and whether the grant recipient sufficiently completed the requirements of the grant award (e.g., a final close-out report, certification of grant award completion, etc.)

6. After the technical review and before making final funding decisions, DHS may contact the highest ranking applicants to seek clarification and to negotiate technical and programmatic aspects of the application. If an application includes a partner that will provide non-reimbursed complementary services, DHS may request to speak with all parties included in the application to ensure sufficient planning and coordination has taken place prior to making an award.

7. **Confidentiality and Conflict of Interest.** Technical and cost proposals submitted under this funding opportunity will be protected from unauthorized disclosure in accordance with applicable laws and regulations. DHS may use one or more support contractors in the logistical processing of proposals. However, funding recommendations and final award decisions are solely the responsibility of DHS personnel.

DHS screens all technical reviewers for potential conflict of interest. To determine possible conflict of interest, DHS requires potential reviewers to complete and sign conflict of interest and nondisclosure forms. DHS will keep the names of submitting institutions and individuals as well as the substance of the applications confidential except to reviewers and DHS staff involved in the award process. DHS will destroy any unsuccessful applications after three years following the funding decision.

8. DHS strongly discourages, and will not consider, any materials submitted by or on behalf of the applicant (e.g., letters of support) other than those materials specifically requested in this NOFO.

9. DHS will notify all applicants electronically of funding decisions. Unfunded applicants may send a written request to citizenshipgrantprogram@uscis.dhs.gov to receive a written summary of comments related to the evaluation criteria, along with the points awarded to the application for each of the evaluation criteria. DHS will send the written summary to the applicant within 60 days of the request. Additional information beyond that described here will not be provided.

**Strategic Program Priorities**

Based on the recommendations of the internal review panel, DHS may consider the following programmatic balance factors when making an award (in descending order of importance):

Page 25 of 30
1. Whether an application, when balanced with other potential awards and with existing Citizenship and Integration Grant Program recipients, represents a diverse geographic area;

2. Whether an application, when balanced with other potential awards and existing Citizenship and Integration Grant Program recipients, represents a diverse population;

3. Whether an application, when balanced against other potential awards with similar scores, incorporates:
   a. Use of technology in the citizenship instruction program that would help immigrant students to gain sufficient digital literacy skills to navigate USCIS’ educational resources and online application system; and/or
   b. Strategies to foster welcoming communities including those that are part of the White House Building Welcoming Communities Campaign (BWCC); and/or;
   c. Cooperation with local libraries.

Prior to making a Federal award with a total amount of Federal share greater than the simplified acquisition threshold, DHS is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS).

An applicant, at its option, may review information in the designated integrity and performance systems accessible through SAM and comment on any information about itself that a Federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through SAM.

DHS will consider any comments by the applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant’s integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants as described in 2 CFR §200.205 Federal awarding agency review of risk posed by applicants.

F. Federal Award Administration Information

Notice of Award

DHS issues formal award notification documents following fulfillment of DHS Congressional notifications. All DHS grants and cooperative agreements are subject to the standard DHS Award Terms and Conditions, which are attached to this package.

A grant award will be executed by a DHS Grants Officer authorized to obligate DHS funding. Unsuccessful applicants will be contacted as well and will be
encouraged to apply for future grant award programs. Announcements for future programs will be listed at [http://www.grants.gov](http://www.grants.gov).

**Administrative and National Policy Requirements**

All successful applicants for all DHS grant and cooperative agreements are required to comply with DHS Standard Administrative Terms and Conditions, which are available online at:

[DHS Standard Terms and Conditions](#)

Before accepting the award the AOR should carefully read the award package for instructions on administering the grant award and the terms and conditions associated with responsibilities under Federal Awards. Recipients must accept all conditions in this NOFO as well as any Special Terms and Conditions in the Notice of Award to receive an award under this program.

**Post-award program income:** In the event program income becomes available to the recipient post-award, it is the recipient’s responsibility to notify the DHS Grants Officer to explain how that development occurred, as part of their request for guidance and/or approval. The Grants Officer will review approval requests for program income on a case-by-case basis; approval is not automatic. Consistent with the policy and processes outlined in 2 C.F.R. Part 200, pertinent guidance and options, as determined by the type of recipient and circumstances involved, may be approved by the Grant Officer. If approval is granted, an award modification will be issued with an explanatory note in the remarks section of the face page concerning guidance and/or options pertaining to the recipient’s approved request. All instances of program income shall be listed in the progress and financial reports.

**Reporting**

**Federal Financial Reporting Requirements**

The recipient is required to submit the following financial reports:

a. **Quarterly Federal Financial Reports (SF-425)** must be submitted to the DHS Grants Officer within 30 days after the end of each quarter. Reports are due January 30, April 30, July 30, and October 30. Reports shall be submitted via email to [DHS-GrantReports@hq.dhs.gov](mailto:DHS-GrantReports@hq.dhs.gov) (include the DHS grant number in the subject line of the email).
b. **Quarterly Cash Transaction Reports** (SF-272) must be submitted to the Department of Health and Human Services Division of Payment Management.

c. **Final Federal Financial Report** (SF-425) must be submitted to the DHS Grants Officer within 90 days after the expiration date of the performance period.

The Federal Financial Reporting Form (FFR) is available online at: http://www.whitehouse.gov/sites/default/files/omb/grants/approved_forms/SF-425.pdf, SF-425 OMB #00348-0061

**Program Performance Reporting Requirements**

The recipient is required to submit the following performance reports:

**Quarterly Performance Reports** must be submitted to the DHS Grants Officer within 30 days after the end of each quarter. Reports are due January 30, April 30, July 30, and October 30. Reports shall be submitted via email to DHS-GrantReports@hq.dhs.gov (include the DHS grant number in the subject line of the email) and to citizenshipgrantprogram@uscis.dhs.gov.

Grant recipients must use the OMB-approved **Performance Progress Report**. USCIS will provide guidance on attachments to include with the report. Grant recipients must collect and report data on each lawful permanent resident served with grant funding, which may include:

- **Alien registration numbers**. These numbers may be used by USCIS to track naturalization outcomes during and after the period of performance;
- Countries of birth;
- When specific services were provided, including student enrollments
- Assessment data, including pre and post test scores; and
- Classes attended, including the number of hours in class.

Grant recipients must also collect and report data on citizenship classes provided, which may include:

- Class titles and proficiency levels;
- Dates when classes are held;
- The instructor teaching each class;
- The number of instructional hours provided per class; and
- The number of students enrolled per class.

In addition to collecting this data, grant recipients must also provide quarterly narrative reports. The narrative report may include questions on the following topics: program accomplishments, progress meeting goals, progress of the sub-
awardee organization (if applicable), challenges in meeting goals, staff and/or organizational development activities, student assessment and progress, outreach activities, volunteer recruitment and training, staff changes, and promising practices.

**Monitoring**

DHS, through its authorized representatives, has the right, at all reasonable times, to make site visits to review project accomplishments and management control systems and to provide such technical assistance as may be required. During site visits, DHS will review grant recipients’ files related to the grant-funded program.

As part of any monitoring and program evaluation activities, grant recipients must permit DHS, upon reasonable notice, to review grant-related records and to interview the organization’s staff and clients regarding the program, and to respond in a timely and accurate manner to DHS requests for information relating to their grant program.

**Close Out**

Within 90 days after the end of the period of performance, or after an amendment has been issued to close out a grant, whichever comes first, recipients must submit a final FFR and final progress report detailing all accomplishments and a qualitative summary of the impact of those accomplishments throughout the period of performance.

The final performance report shall include cumulative quantitative data, program accomplishments and challenges, and any promising practices related to direct service provision to lawful permanent residents. If applicable, an inventory of all construction projects that used funds from this program has to be reported using the Real Property Status Report (Standard Form SF 429) available at http://www.whitehouse.gov/sites/default/files/omb/grants/approved_forms/sf-429.pdf.

After these reports have been reviewed and approved by USCIS, a close-out notice will be completed to close out the grant. The notice will indicate the period of performance as closed, list any remaining funds that will be deobligated, and address the requirement of maintaining the grant records for three years from the date of the final FFR.

The recipient is responsible for returning any funds that have been drawn down but remain as unliquidated on recipient financial records.
