U.S. Chamber of Commerce

April 11, 2022

The Honorable Alejandro Mayorkas
Secretary of Homeland Security
Washington, DC 20528

The Honorable Marty Walsh
Secretary of Labor
Washington, DC 20001

Dear Secretaries Mayorkas and Walsh:

The H-2B Workforce Coalition is comprised of small and seasonal businesses across the country owned and operated by thousands of employers and their representatives from industries such as lodging, landscaping, seafood, restaurants, tourism, equine, forestry, mobile outdoor amusement, golf courses, and others. Our members are seasonal businesses that rely on the H-2B visa program to supplement their U.S. workforce during seasonal surge and peak business needs.

We thank you for the announcement on March 31, 2022, exercising the authority Congress granted to you in the Consolidated Appropriations Act of 2022, Pub. L. No. 117-103, Division O, Title II, Sec. 204P. This announcement is welcome news to the many seasonal business across the country who are facing dire labor shortages and we ask that you expeditiously publish a temporary final rule implementing your decision to release the additional 35,000 visas.. The recent filings with DOL for the second half of the fiscal year clearly show that there will be significant workforce disruptions if additional cap relief does not materialize soon. On January 4, 2022, DOL announced that it had received 7,875 H-2B applications requesting 136,555 worker positions for the second half of the 2022 fiscal year. This is **more than four times** the number of visas permitted under the statutory cap for this period. Congress has continued to provide you with the authority to release additional visas and we again thank you for announcing the decision to do so, however we are pleading with you to publish a temporary rule implementing that decision as soon as possible.

There is a dire shortage of seasonal labor in the U.S. and many employers turn to the H-2B program to meet their workforce needs to not only sustain their businesses, but also to support their American workers. Every H-2B worker supports 4.64 U.S. jobs.¹ Furthermore, a 2020 General Accountability Office report concluded that “counties with H-2B employers generally had lower unemployment rates and higher average

¹ Zavodny, Madeline. *Immigration and American Jobs*. American Enterprise Institute, 15 Dec. 2011, www.aei.org/research-products/working-paper/immigration-and-american-jobs/seek.

weekly wages than counties that do not have any H-2B employers.”² The H-2B program places many requirements on employers to recruit U.S. workers, and our members try to find as many U.S. workers as they can. In these unprecedented times, there are simply not enough workers to meet the seasonal workforce needs of U.S. employers. The most current employment data bare out the workforce struggles of seasonal businesses nationwide, as the Bureau of Labor Statistics reported that while there were 11.3 million job openings in the U.S, at the end of January, the number of unemployed people in the country rests at 6.3 million.

We want to thank you for recognizing the seasonal labor crisis and unprecedented demand that led to the release³ of 20,000 H-2B supplemental visas for the first half of FY22. This marked the first time the Administration has released supplemental H-2B visas for the first half cap, which has significantly less demand than the April 1st date of need that now needs your action.

The timing in which the 35,000 H-2B visas are to be released is critical to ensure that seasonal businesses can meet their workforce needs when their seasonal demands are peaking. Last year, we were grateful that 22,000⁴ additional H-2B visas were released to supplement the second half cap allocation for FY21. Unfortunately, the rule wasn’t published until May 25, 2021; due to the time it took to process the petitions, allocate the additional visas, and then bring the workers into the country, many H-2B workers were not on their employer’s payroll until after the fourth of July. For companies that needed these workers on April 1 this is more than three months past the employer’s date of need. Seasonal businesses that require H-2B visas need them to be available in the spring, not the middle of the summer when nearly half of the peak season has passed. We respectfully request that expeditiously issue the temporary rule to coincide as closely as possible with the April 1, 2022 date of need.

Additionally, seasonal employers continue to strongly support the administration’s efforts to increase access to H-2B visas for foreign nationals from the Northern Triangle countries and Haiti. We will continue to work with these foreign governments to help diminish the irregular migration from these countries by helping to streamline the application process for foreign workers from these countries. It remains incumbent upon the administration to revert unused supplemental visas from Northern Triangle and Haiti to returning workers from *other* nations to fulfill the demand for seasonal workers, as nationals from the Northern Triangle and Haiti cannot satisfy these labor demands alone and we are unsure if there will be 11,500 workers from these countries available to fill these positions.

² United States, Congress, “H-2B VISAS: Additional Steps Needed to Meet Employers' Hiring Needs and Protect U.S. Workers.” *H-2B VISAS: Additional Steps Needed to Meet Employers' Hiring Needs and Protect U.S. Workers*, GAO-20-230, U.S. Government Accountability Office, 2020, pp. 13–14.

³ *Exercise of Time-Limited Authority To Increase the Fiscal Year 2022 Numerical Limitation for the H-2B Temporary Nonagricultural Worker Program and Portability Flexibility for H-2B Workers Seeking To Change Employers*; Department of Homeland Security and Department of Labor; Temporary Final Rule, January 28, 2022 <https://www.federalregister.gov/documents/2022/01/28/2022-01866/exercise-of-time-limited-authority-to-increase-the-fiscal-year-2022-numerical-limitation-for-the>.

⁴ *Exercise of Time-Limited Authority To Increase the Fiscal Year 2021 Numerical Limitation for the H-2B Temporary Nonagricultural Worker Program and Portability Flexibility for H-2B Workers Seeking To Change Employers*; Department of Homeland Security and Department of Labor; Temporary Final Rule, May 25, 2021 <https://www.federalregister.gov/documents/2021/05/25/2021-11048/exercise-of-time-limited-authority-to-increase-the-fiscal-year-2021-numerical-limitation-for-the>.

Thank you for your consideration of these important matters and we look forward to continuing the important dialogue and assisting in any way possible.

Sincerely,

June 7, 2022

Brian Crawford
Co-Chair
H-2B Workforce Coalition
1250 Eye Street, NW, Suite 1100
Washington, DC 20005

Dear Mr. Crawford:

Thank you for your April 11, 2022 letter to the Department of Homeland Security (DHS) urging the prompt release of the previously announced additional 35,000 H-2B visas to address labor shortages facing American businesses. Secretary Mayorkas asked that I respond on his behalf, and I apologize for the delay in responding.

U.S. Citizenship and Immigration Services (USCIS) appreciates the concerns you raised regarding the labor challenges facing seasonal employers. As you likely are aware, on May 18, 2022, DHS and the Department of Labor jointly published a temporary final rule to provide a supplemental increase of 35,000 H-2B visas to help support American businesses and promote lawful immigration pathways to those seeking to enter the United States to work.¹ These visas are available to U.S. employers seeking to employ H-2B workers through September 30, 2022. The rule also includes stronger worker protections. In addition, USCIS appreciates the support you expressed for the Biden-Harris Administration's efforts to increase access to H-2B visas for nationals of El Salvador, Guatemala, Honduras, and Haiti. DHS continues to engage in outreach efforts with the governments of these countries expanding access to H-2 programs. Additionally, the United States Agency for International Development continues to work to increase interest in the H-2B visa program and the supplemental H-2B visa allocation in some of these countries.

Moreover, USCIS continues to accept H-2B petitions that are exempt from the cap. These include petitions for current H-2B workers in the United States who wish to extend their stay and, if applicable, change the terms of their employment or their employers.

¹ See *Exercise of Time-Limited Authority To Increase the Numerical Limitation for Second Half of FY 2022 for the H-2B Temporary Nonagricultural Worker Program and Portability Flexibility for H-2B Workers Seeking To Change Employers* 87 FR 30334 (May 18, 2022).

Mr. Brian Crawford
