

Instructions for Immigrant Petition by Standalone Investor

Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form I-526
OMB No. 1615-0026
Expires 07/31/2025

What Is the Purpose of Form I-526?

This form is used by a standalone investor to petition U.S. Citizenship and Immigration Services (USCIS) for status as an immigrant to the United States under section 203(b)(5) of the Immigration and Nationality Act (INA), as amended. An investor seeking to pool his or her investment with one or more additional investors seeking classification under INA section 203(b)(5) must file for such classification in accordance with INA section 203(b)(5)(E) using Form I-526E, Immigrant Petition by Regional Center Investor at www.uscis.gov/i-526e.

Who May File Form I-526?

You may file this petition for yourself if you have invested or are actively in the process of investing the required investment amount in a new commercial enterprise (NCE) that will benefit the U.S. economy by creating full-time employment in the United States for at least 10 U.S. citizens, U.S. nationals, lawful permanent residents, or other immigrants lawfully authorized to be employed in the United States, other than yourself, your spouse, or your sons or daughters.

An NCE may be established by:

1. The formation of a business after November 29, 1990;
2. The purchase of a business formed on or before November 29, 1990, and simultaneous or subsequent restructuring or reorganization resulting in an NCE; or
3. The expansion of a business formed on or before November 29, 1990, through investment of the amount required so that a substantial change (at least 40 percent increase) in either the net worth or number of employees results.

The required investment amount is set by statute. You may obtain additional information about the EB-5 program and investment amount on the USCIS website at www.uscis.gov/working-in-the-united-states/permanent-workers/eb-5-immigrant-investor-program, or a U.S. Embassy or U.S. Consulate abroad.

General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have Internet access, you may call the USCIS Contact Center at **1-800-375-5283** (TTY **1-800-767-1833**) and ask that we mail a form to you. The USCIS Contact Center provides information in English and Spanish.

Signature. Each petition must be properly signed and filed. For all signatures on this petition, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the petition on your behalf. A legal guardian may also sign for a mentally incompetent person. If the request is not signed or if the requisite signature on the request is not valid, USCIS will reject the request. See 8 CFR 103.2(a)(7)(ii)(A). If USCIS accepts a request for adjudication and determines that it has a deficient signature, USCIS will deny the request.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of the original handwritten signature valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten ink signature.

Filing Fee. Each petition must be accompanied by the appropriate filing fee. (See the **What Is the Filing Fee** section of these Instructions.)

Evidence. At the time of filing, you must submit all evidence and supporting documentation listed in the **What Evidence Must You Submit** and **Specific Instructions** section of these Instructions.

Biometric Services Appointment. USCIS may require that you appear for an interview or provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks. After USCIS receives your petition and ensures it is complete, we will inform you if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment. USCIS may use your biometrics to obtain the criminal history records of the Federal Bureau of Investigation (FBI), for identity verification, to determine eligibility, to create immigration documents (for example, Permanent Resident Card, Employment Authorization Document), or any purpose authorized by the Immigration and Nationality Act. You may obtain a copy of your own FBI record using the procedures outlined at 28 CFR 16.32. For information, please visit: <https://www.fbi.gov/services/cjis/identity-history-summary-checks>. For Privacy Act information, please visit <https://www.fbi.gov/services/cjis/compact-council/privacy-act-statement>.

Copies. You should submit legible photocopies of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application, petition, or request. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

NOTE: If you submit original documents when not required or requested by USCIS, your original documents may remain a part of the record, USCIS will not automatically return them to you, **and your original documents may be immediately destroyed upon receipt.**

Translations. If you submit a document with information in a foreign language, you must also submit a full certified English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must include the translator's signature. DHS recommends the certification contain the translator's printed name and the date and the translator's contact information.

For purposes of determining whether or not the troubled business has been in existence for two years, successors in interest to the troubled business will be deemed to have been in existence for the same period of time as the business they succeeded.

If you are not able to make that attestation in good faith at that time, USCIS will require you to return for another appointment.

What Evidence Must You Submit?

You must submit all evidence requested in these Instructions with your petition or through your myUSCIS account shortly after submitting your petition. If you select to submit evidence through a myUSCIS account, you will receive instructions with your receipt notice. If you fail to submit required evidence, USCIS may reject or deny your petition for failure to submit requested evidence or supporting documents in accordance with 8 CFR 103.2(b)(1) and these Instructions

Evidence to Accompany Petition

The following evidence must, when applicable, be filed with your petition or through your myUSCIS account shortly after submitting your petition:

- 1. Lawful Business Entity.** Evidence that you have invested in, or are actively in the process of investing in, a lawful business entity validly formed after November 29, 1990 and validly operating under the laws of the jurisdiction in the United States in which it is located. If you made an investment in a business formed on or before November 29, 1990, you must submit evidence that your investment resulted in a restructuring or reorganization of the business or has caused a substantial (at least 40 percent) increase in the net worth of the business, the number of employees, or both.

Such evidence shall, as applicable, consist of:

- A.** Copies of articles of incorporation, certificate of merger or consolidation, partnership agreement, certificate of limited partnership, joint venture agreement, business trust agreement, or other similar organizational document;
 - B.** A certificate evidencing authority to do business in a state or municipality, or if such is not required or issued, a statement to that effect; or
 - C.** Evidence that, as of a date after November 29, 1990, the required amount of capital was transferred to an existing business resulting in a substantial increase in the net worth or number of employees. This evidence must be in the form of stock purchase agreements, investment agreements, certified financial reports, payroll records, or other similar instruments, agreements, or documents evidencing the investment and the resulting substantial change.
- 2. Targeted Employment Area.** Targeted Employment Area. Evidence, if applicable, that your enterprise has created or will create employment in a targeted employment area. A targeted employment area is defined as an area which, at the time of investment, is a rural area or high unemployment area. A rural area is an area not within a metropolitan statistical area and not within the outer boundary of any city or town having a population of 20,000 or more. An area of high unemployment includes the census tract(s) where the NCE is principally doing business and may include any directly adjacent census tracts, if the weighted unemployment average of the area is at least 150 percent of the national average rate. In the case of a high unemployment area, a petitioner must submit a listing of the census tract or contiguous census tracts as well as any directly adjacent census tracts used in the calculation to determine the area is experiencing a weighted unemployment average rate of at least 150% of the national average rate. The calculation should use reliable and verifiable data that is internally consistent to calculate the unemployment rate. For example, if you used data from the U.S. Census Bureau's American Community Survey (ACS) to determine the unemployment rate for the requested area, you should also rely on ACS data to determine the national unemployment rate to which the area identified is compared.
 - 3. Investment.** Evidence that you have invested or are actively in the process of investing the required amount of capital.

Such evidence may include, but need not be limited to, copies of bank statements showing amounts deposited into the U.S. business accounts for the NCE, evidence of assets that have been purchased for use in the NCE, evidence of property transferred from abroad for use in the NCE, evidence of monies transferred or committed to be transferred to the NCE in exchange for shares of stock that cannot be redeemed at the holder's request, or any loan or mortgage agreement, promissory note, security agreement, or other evidence of borrowing that is secured by assets owned by the petitioner (other than those of the NCE) and for which the petitioner is personally and primarily liable.

4. Lawful Capital. Evidence that the capital you invested or are actively in the process of investing, as well as any funds used to pay administrative costs and fees, were obtained through lawful means. You must include the following documents, as applicable, with your petition: foreign business registration records, tax returns of any kind filed by you or on your behalf within the last seven years in or outside the United States, evidence of other sources of capital, or certified copies of any judgments, or evidence of all pending governmental administrative, civil or criminal actions, any private civil actions (pending or otherwise) involving monetary judgments against the petitioner from any court in or outside the United States within the past 15 years, and the identity of any person who transferred capital used for your investment into the United States on your behalf. If your investment funds were gifted or borrowed, submit evidence from the donor or, if other than a bank, the lender demonstrating that such funds were obtained through lawful means and that the funds were gifted or loaned in good faith and were not gifted or loaned to circumvent any limitations imposed on permissible sources of capital, including, but not limited to proceeds from illegal activity. Capital does not include:

- Assets directly or indirectly acquired by unlawful means;
- Any capital invested in exchange for a note, bond, convertible debt, obligation, or any other debt arrangement between you and the NCE;
- Any capital invested with a guaranteed rate or return; or
- Any capital invested that is subject to an agreement between you and the NCE that provides you with a contractual right to repayment, such as a mandatory redemption or sell-back option held by you.

5. Job Creation. Evidence that the enterprise has created or will create at least ten full-time positions for qualifying employees. Qualifying employee means a U.S. citizen, U.S. national, lawful permanent resident, or other immigrant lawfully authorized to be employed in the United States. This definition does not include you, your spouse, your sons or daughters, or any nonimmigrant alien. Such evidence must consist of copies of relevant tax records, Form I-9s, or other similar documents, if the employees have already been hired, or a comprehensive business plan showing when such employees will be hired.

For cases involving troubled businesses, the petition must be accompanied by evidence that the number of existing employees is being or will be maintained at no less than the pre-investment level for a period of at least two years. Photocopies of tax records, Forms I-9s, or other relevant documents for the qualifying employees and a comprehensive business plan must be submitted.

6. Identification. Submit a photocopy of government-issued identification, which may include a copy of your passport.

What Is the Filing Fee?

The filing fee for Form I-526 is **\$3,675**.

NOTE: The filing fee is not refundable, regardless of any action USCIS takes on this petition. **DO NOT MAIL CASH.** You must submit all fees in the exact amount.

Use the following guidelines when you prepare your check or money order for the Form I-526 filing fee:

1. The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; **and**
2. Make the check or money order payable to **U.S. Department of Homeland Security**.
NOTE: Spell out U.S. Department of Homeland Security; do not use the initials “USDHS” or “DHS.”
3. If you live outside the United States, contact the nearest U.S. Embassy or U.S. Consulate for instructions on the method of payment.

Notice to Those Making Payment by Check. If you send us a check, USCIS will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as unpayable, USCIS will re-submit the payment to the financial institution one time. If the check is returned as unpayable a second time, we will reject your petition and charge you a returned check fee.
