What Is the Purpose of This Application?

The Immigration and Nationality Act (INA) section 212(e) requires certain J-1 and J-2 exchange visitors to return to their home country or country of last foreign residence for at least two years upon completion of their U.S. training and departure from the United States before they may apply for an immigrant visa, an adjustment of status, or a change of status (such as to the H or L nonimmigrant category). This application provides eligible J-1 and J-2 nonimmigrants the opportunity to apply for a waiver of this requirement.

If you are an exchange visitor, you are subject to the two-year foreign residence requirement if:

1. Your participation in the exchange program was financed at any time in whole or in part, directly or indirectly, by an agency of the U.S. Government or by the government of your country of citizenship or nationality or last foreign residence;
2. Prior to being admitted as an exchange visitor, or acquiring such status after admission, your country of citizenship or nationality or last foreign residence was designated by the U.S. Secretary of State as clearly requiring your specialized knowledge or skill; or
3. You were admitted as an exchange visitor or acquired such status after admission on or after January 10, 1977, to participate in graduate medical education or training.

If you have any questions about whether you, your spouse, or your children are subject to the two-year foreign residence requirement, contact your responsible program officer or a U.S. Embassy or U.S. Consulate.

NOTE: If you are subject to the two-year foreign residence requirement, your dependents (J-2 spouse and unmarried minor children) are also subject to this requirement.

Who May File Form I-612?

Exchange visitors (J-1); spouses (J-2) who are no longer married to the exchange visitors; or sons and daughters of the J-1 and/or J-2, who married or who are 21 years of age or older, may file this application to apply for a waiver of the two-year foreign residence requirement of INA section 212(e) based on:

1. Exceptional hardship to the exchange visitor’s U.S. citizen or lawful permanent resident spouse or children; or
2. The exchange visitor’s belief that returning to the country of his or her citizenship or nationality or last foreign residence would subject him or her to persecution on account of race, religion, or political opinion.

NOTE: J-2 spouses still married to the J-1 exchange visitor and unmarried children under 21 years of age may not file this application on their own behalf.

Dependent of Applicant (Spouse and Unmarried Minor Children)

If you are subject to the two-year foreign residence requirement and your spouse and children were admitted as J-2 exchange visitors or acquired such status after admission, they are also subject to this requirement. To include your spouse and minor children in your waiver application, you will need to list their names, dates of birth, countries of birth, countries of citizenship or nationality, and countries of last foreign residence on your application in the spaces provided in Part 3., Item Numbers 3.a. - 6.g. If you need extra space to complete this section, use the space provided in Part 8. Additional Information. If you do not include your J-2 spouse or J-2 children, your J-2 spouse or J-2 children will not receive waivers with you and each person will have to file a separate Form I-612.
If your spouse or child is subject to the foreign residence requirement because he or she participated in an exchange program as a J-1 nonimmigrant (instead of as a J-2 nonimmigrant), he or she will need to submit a separate application.

If your child is subject to the two-year foreign residence requirement, and he or she is married or currently 21 years of age or older, he or she will need to submit a separate application for a waiver.

**NOTE:** The two-year foreign residence requirement cannot be waived unless a favorable recommendation is made by the Department of State’s Waiver Review Division (formerly the U.S. Information Agency) to the Secretary, U.S. Department of Homeland Security (DHS).

**Do not file Form I-612 with U.S. Citizenship and Immigration Services (USCIS) if you are seeking a waiver of the two-year foreign residence requirement based on:**

1. A request by an interested U.S. Government Agency (IGA);
2. A written statement from your country of citizenship or nationality or last foreign residence that it has no objection to the waiver (also called “No Objection”); or
3. A request from a state public health department, or its equivalent, to permit you to work as a physician in a medically underserved area (also called “Conrad Waiver Program”).

You can find information on how to apply for an IGA, No Objection, or Conrad Waiver Program at [http://travel.state.gov/content/visas/english/study-exchange/student/residency-waiver.html](http://travel.state.gov/content/visas/english/study-exchange/student/residency-waiver.html).

**NOTE:** Foreign medical physicians who acquired J-1 exchange visitor visa status on or after January 10, 1977, for the purpose of receiving graduate medical education or training, cannot receive a No Objection Waiver.

### General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at [http://get.adobe.com/reader/](http://get.adobe.com/reader/). If you do not have Internet access, you may call the USCIS Contact Center at 1-800-375-5283 and ask that we mail a form to you. For TTY (deaf or hard of hearing) call: 1-800-767-1833.

**Signature.** Each application must be properly signed and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person.

**Filing Fee.** Each application must be accompanied by the appropriate filing fee. (See the What Is the Filing Fee section of these Instructions.)

**Biometric Services Fee.** If you file this application with USCIS, you do not need to include a biometric services fee at the time you submit your application. If you are later notified that you must submit biometrics, you will receive a biometric services appointment notice with instructions on how to submit the additional biometric services fee. If you file this application with an agency other than USCIS, please check with that agency to determine if and when you must submit biometric services fees.

**Evidence.** At the time of filing, you must submit all evidence and supporting documentation listed in the What Evidence Must You Submit section of these Instructions.
**Biometric Services Appointment.** USCIS may require that you appear for an interview or provide fingerprints, photograph, and/or signature at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application, petition, or request. After USCIS receives your application and ensures it is complete, we will inform you in writing if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:

1. You provided or authorized all information in the application;
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

**Copies.** You should submit legible photocopies of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application, petition, or request. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original document.

**NOTE:** If you submit original documents when not required or requested by USCIS, your original documents may be immediately destroyed upon receipt.

**Translations.** If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must include the translator’s signature. DHS recommends the certification contain the translator’s printed name and the date and the translator’s contact information.

**What Evidence Must You Submit**

You must submit all evidence in these Instructions with your application. If you fail to submit required evidence, USCIS may reject or deny your application for failure to submit requested evidence or supporting documents in accordance with 8 CFR 103.2(b)(1) and these Instructions.

You must submit the following documents with your application.

1. **If you select Part 3, Item Number 1., you must submit evidence of U.S. citizenship or lawful permanent resident status of your spouse or child:**

   A. If your spouse or child is a U.S. citizen by birth in the United States, submit a birth certificate for your spouse or child. If a birth certificate is not available, you must submit a letter and supporting evidence from the appropriate state agency stating a birth certificate is not available and explaining why a birth certificate is not available. Also submit:

   (1) A copy of the baptismal certificate showing that the baptism occurred within two months after birth, under the seal of the religious organization, showing the place of birth; or

   (2) If you cannot obtain the birth or baptismal certificate, affidavits of two U.S. citizens who have personal knowledge of the birth of your spouse or child in the United States;

   B. If your spouse or child was born outside the United States, became a U.S. citizen through a parent, and was not issued a certificate of citizenship, you must submit evidence of the citizenship and marriage of the parent, as well as termination of any prior marriages of the parent. Also, you must submit a birth certificate of the child and a separate statement showing the dates, ports-of-entry, and means of all arrivals into and departures from the United States by the spouse or child;
C. If the naturalization of your spouse or child occurred within 90 days immediately before you filed this application, you must submit a copy of the naturalization certificate;

D. If your spouse or child is a lawful permanent resident, submit a copy of a valid I-551, Permanent Resident Card, of the spouse or child.

2. If you select Part 3, Item Number 1., you must submit evidence of the relationship between you and your spouse or child. You must also include a certificate of marriage to your spouse and proof of legal termination of all prior marriages for you and your spouse, with each application. If the application is based on hardship to your child, you must also submit his or her birth certificate. (If a birth certificate is not available, see Item A. above.)

3. To support your application for a waiver, in addition to your own required statement detailing the hardship or persecution that will occur if you return to your country of citizenship or nationality or last foreign residence, submit copies of all forms DS-2019/IAP-66, Certificate of Eligibility for Exchange Visitor Status, for all exchange programs in which you or your spouse participated (if applicable). You may also submit any available evidence that you believe demonstrates the exceptional hardship or persecution issues raised in your statement.

4. Form I-94 Arrival-Departure Record. If you are in the United States, you must submit a copy of your Form I-94, Arrival-Departure Record, and a copy of your spouse’s Form I-94, if he or she is in the United States and not a U.S. citizen or lawful permanent resident. If the entry permit is attached to or stamped in your passport, submit a complete copy of all pages in your passport. Do not submit your original passport.

If U.S. Customs and Border Protection (CBP) or USCIS issued you a Form I-94, Arrival-Departure Record, provide your Form I-94 number and date that your authorized period of stay expires or expired (as shown on Form I-94). The Form I-94 number is also known as the Departure Number on some versions of Form I-94.

NOTE: If you were admitted to the United States by CBP at an airport or seaport after April 30, 2013, you may have been issued an electronic Form I-94 by CBP, instead of a paper Form I-94. You may visit the CBP website at www.cbp.gov/i94 to obtain a paper version of an electronic Form I-94. CBP does not charge a fee for this service. Some travelers admitted to the United States at a land border, airport, or seaport, after April 30, 2013, with a passport or travel document, who were issued a paper Form I-94 by CBP, may also be able to obtain a replacement Form I-94 from the CBP website without charge. If your Form I-94 cannot be obtained from the CBP website, it may be obtained by filing Form I-102, Application for Replacement/Initial Nonimmigrant Arrival-Departure Record, with USCIS. USCIS does charge a fee for this service.

Passport and Travel Document Numbers. If you used a passport or travel document to travel to the United States, enter either the passport or travel document information in the appropriate space on the application, even if the passport or travel document is currently expired.

What is the Filing Fee?

The filing fee for Form I-612 is $930.

NOTE: The filing fee is not refundable, regardless of any action USCIS takes on this application. DO NOT MAIL CASH. You must submit all fees in the exact amounts.

Use the following guidelines when you prepare your check or money order for the Form I-612 filing fee:

1. The check or money order must be drawn on a bank or other financial institution located in the Unites States and must be payable in U.S. currency; and

   NOTE: Spell out U.S. Department of Homeland Security; do not use the initials “USDHS” or “DHS.”

3. If you live outside the United States, contact the nearest U.S. Embassy or U.S. Consulate for instructions on the method of payment.
Notice to Those Making Payment by Check. If you send us a check, USCIS will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check, but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If USCIS cannot complete the EFT because of insufficient funds, we may try to make the transfer two additional times.

How to Check If the Fees Are Correct

Processing Information

USCIS will reject any Form I-612 that is not signed or accompanied by the correct filing fee and will be rejected with a notice that Form I-612 is deficient. You may correct the deficiency and resubmit Form I-612. An application is not considered properly filed until accepted by USCIS.

Initial Processing. Once USCIS accepts your application, we will check it for completeness. If you do not completely fill out this application, you will not establish a basis for your eligibility and USCIS may reject or deny your application.

Requests for More Information. We may request that you provide more information or evidence to support your application. We may also request that you provide the originals of any copies you submit. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

Requests for Interview. We may request that you appear at a USCIS office for an interview based on your application. At the time of any interview or other appearance at a USCIS office, we may require that you provide your fingerprints, photograph, and/or signature to verify your identity and/or update background and security checks.
