Form I-945

Department of Homeland Security
U.S. Citizenship and Immigration Services

What Is the Purpose of Form I-945?

You should use this form to submit a public charge bond. Aliens determined to be inadmissible under section 212(a)(4) of the Immigration and Nationality Act may, if otherwise admissible, be admitted to the United States upon posting a suitable and proper public charge bond in the amount and under the conditions set by the Department of Homeland Security (DHS). This public charge bond is posted as security for performance and fulfillment of the financial obligations of a bonded alien to the U.S. government.

General Instructions

How to Fill Out Form I-945

1. Type or print legibly in black ink.
2. Answer all questions fully and accurately. If you do not completely fill out this application or fail to submit required documents listed in the Instructions, U.S. Citizenship and Immigration Services (USCIS) may reject your application, or it may create delays. Answer all questions fully and accurately. If a question does not apply to you (for example, if you have never been married and the question asks, "Provide the name of your current spouse"), type or print "N/A" unless otherwise directed. If your answer to a question which requires a numeric response is zero or none (for example, "How many children do you have" or "How many times have you departed the United States"), type or print "None" unless otherwise directed.

Part 1. Obligor and Agent/Co-Obligor Information

Please read the Obligor and Agent/Co-Obligor descriptions provided in **Part 1.** and then complete **Item Numbers 1. - 15.** with the information requested. For Surety Bonds, please include the name of the surety company in the "Name of Obligor" field.

Part 2. Information About the Alien for Whom the Bond Is Furnished

Provide the biographic information of the alien requested in **Part 2.**

Item Number 2. Alien Registration Number (A-Number) (if any). Provide your A-Number. We use your A-Number to identify your immigration records. It begins with an "A" and can be found on correspondence you have received from the Department of Homeland Security (DHS) or USCIS. If you do not have an A-Number, type or print "N/A."

Item Number 3. USCIS Online Account Number. Providing the applicant's unique USCIS Online Account Number (OAN) helps them manage their online account. You have an Online Account Number if you previously filed an application, petition, or request online or by mail and received a receipt number that begins with IOE. If you filed a form online, you can find your OAN in your USCIS Online Account profile. If you mailed your form, we still created an OAN for you. You can find the number at the top of the USCIS Account Access Notice we sent you. The OAN is not the same as an A-Number. If you do not have a receipt number beginning with IOE, you do not have an OAN.

Item Number 4. Form I-485 Receipt Number. Provide the alien's receipt number for the pending Form I-485, Application to Register Permanent Residence or Adjust Status.

Item Number 5. Mailing Address. Provide the address where you would like to receive written correspondence regarding your form.

Item Number 6. Physical Address. Provide the alien's physical address if it is different from the alien's mailing address.

Item Number 7. Date of Birth. Enter the alien's date of birth in mm/dd/yyyy format in the space provided. For example, type or print October 5, 1967 as 10/05/1967.

Item Number 8. Place of Birth. Enter the name of the city or town, and country where the alien was born. Type or print the name of the country as it was named when the alien was born, even if the country's name has changed or the country no longer exists.

Item Number 9. Country of Citizenship or Nationality. Enter the name of the country where the alien is a citizen. This is not necessarily the country where the alien was born. If the alien was not stateless, type or print the name of the country where the alien was last a citizen or national. If the alien is a citizen or national of more than one country, type or print the name of the foreign country that issued the last passport.

Item Number 10. Alien's Daytime Telephone Number. Provide the alien's daytime telephone number.

Item Number 11. Obligor's Email Address (if any). Provide the alien's email address.

Item Number 12. Information About the Alien's Attorney or Accredited Representative. If the alien is represented by an attorney or accredited representative, the alien's attorney or accredited representative must submit a new Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative, for purposes of the bond. If the attorney or accredited representative does not submit Form G-28, USCIS will not be able to communicate with the attorney or accredited representative on behalf of the bonded alien or send a copy of the communication concerning bonds to the alien's attorney or accredited representative (as outlined in the Public Charge Bond, Form I-945).

Part 4. Obligor's or Agent/Co-Obligor's Statement, Declaration, Certification, and Signature

Every form **MUST** contain the signature of the obligor or the agent/co-obligor. A stamped or typewritten name in place of a signature is not acceptable.

Part 5. Additional Information

If you need extra space to provide any additional information within this form, use the space provided in **Part 5**.

Additional Information. If you need more space than what is provided in **Part 5**., you may make copies of **Part 5**. to complete and file with Form I-945. If you alter the text of Parts 3. or 4. by adding terms and conditions in Part 5., USCIS will reject the bond.**

We recommend that you print or save a copy of your completed form to review in the future and for your records.
