USCIS
Form N-400
OMB No. 1615-0052
Expires 09/30/2022

What Is the Purpose of Form N-400?

Form N-400, Application for Naturalization, is an application to become a naturalized U.S. citizen.

If your biological or legal adoptive mother or father is a U.S. citizen by birth, or was naturalized before you reached your 18th birthday, you may already be a U.S. citizen. Before you consider filing this application, please visit the U.S. Citizenship and Immigration Services (USCIS) website at www.uscis.gov for more information on this topic and to review the instructions for Form N-600, Application for Certificate of Citizenship, and Form N-600K, Application for Citizenship and Issuance of Certificate Under Section 322.

If either of your parents is a United States citizen, complete **Part 6. Information About Your Parents** as part of this application. If neither of your parents is a United States citizen, skip **Part 6.** and complete **Part 7. Biographical Information.**

A Guide to Naturalization

To help you understand the naturalization process, USCIS developed A Guide to Naturalization (M-476). This guide provides information on eligibility requirements and naturalization procedures. If you do not already have a photocopy of M-476, you can view the guide on the USCIS website at www.uscis.gov.

You may visit the USCIS website at www.uscis.gov/N-400 for filing tips and additional resources to assist you during the naturalization process.

General Eligibility Requirements

You may apply for naturalization when you meet **all** the requirements to become a U.S. citizen. General eligibility requirements are the following:

Naturalization Testing

One of the requirements for naturalization is to take the naturalization test to demonstrate that you are able to read, write, and speak basic English and that you have a basic knowledge of U.S. history and government (civics).

Exemptions From the English Language Test

You are not required to take the English language test if:

1. At the time of filing your Form N-400, you are 50 years of age or older and have lived in the United States as a permanent resident for periods totaling at least 20 years. You do not have to take the English language test, but you do have to take the civics test in the language of your choice.

Medical Exception to the English Language and/or Civics Test

Visit the USCIS website at www.uscis.gov for more information on this topic and to review the instructions for Form N-600, Application for Certificate of Citizenship, and Form N-600K, Application for Citizenship and Issuance of Certificate Under Section 322.

General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have Internet access, you may call the USCIS National Customer Service Center at **1-800-375-5283** and ask that we mail a form to you. For TTY (deaf or hard of hearing) call **1-800-767-1833**.

Signature. Each application must be properly completed, signed, and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a handwritten signature. A legal guardian may sign for a mentally incompetent person.

Filing Fee. Each application must be accompanied by the appropriate filing fee and biometric services fee (if applicable). (See the **What Is the Filing Fee** section of these Instructions.)

Evidence. At the time of filing, you must submit all evidence and supporting documentation listed in the **Required Evidence** section of these Instructions.

Biometrics Services Appointment. USCIS may require that you appear for an interview or provide fingerprints, photograph, and/or signature at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application. After USCIS receives your application and ensures it is complete, we will inform you in writing if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:

1. You provided or authorized all information in the application; and
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

If you fail to attend your biometric services appointment, USCIS may deny your application.

Copies. You should submit legible **photocopies** of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application, petition, or request. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

NOTE: If you submit original documents when not required or requested by USCIS, **your original documents may be immediately destroyed upon receipt.**

Translations. If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English.

How To Fill Out Form N-400

1. Type or print legibly in **black ink**.
2. If you need extra space to complete any item in this application; use and attach a separate sheet of paper; type or print your name and Alien Registration Number (A-Number) (if any) at the top of each sheet; and indicate the **Page Number, Part Number, and Item Number** to which your answer refers.
3. Answer all questions fully and accurately. If a question does not apply to you (for example, if you have never been married and the question asks “Provide the name of your current spouse”), type or print “N/A,” unless otherwise directed. If your answer to a question, which requires a numeric response, is zero or none (for example, “How many children do you have” or “How many times have you departed the United States”), type or print “None,” unless otherwise directed.

4. Avoid highlighting, crossing out, or typing or printing outside the area provided for a response. If you must make substantial corrections to your Form N-400, USCIS recommends that you start a new Form N-400 rather than using correction tape or fluid to correct the information. USCIS scanners may see through the white correction tape or fluid. This may lead to incorrect information being captured in USCIS systems, which may cause processing delays or a rejection (non-acceptance) of your Form N-400.
5. Provide your A-Number on the top right corner of each page (if any). Your A-Number is located on your Permanent Resident Card (formerly known as the Alien Registration Card). The A-Number on your card consists of a seven to nine digit number, depending on when your record was created. If the A-Number on your card has fewer than nine digits, place enough zeros before the first number to make a total of nine digits on Form N-400. For example, type or print number A1234567 as A001234567 or type or print number A12345678 as A012345678.
6. Your application must be properly completed, signed, and filed. You must include **all** pages when you file Form N-400, even if the pages are blank. A photocopy of the application is acceptable as long as all signatures on the application are handwritten and original. USCIS will not accept a stamped or typewritten name in place of a signature.

Early Filing. An applicant filing under the general naturalization provision (section 316(a) of the INA) may file his or her application up to 90 days before he or she would first meet the required 5-year period of continuous residence as a lawful permanent resident (LPR). An applicant filing as the spouse of a U.S. citizen under section 319(a) of the INA may file up to 90 days before meeting the required 3-year period of continuous residence as an LPR. Although an applicant may file early according to the 90-day early filing provision, the applicant is not eligible for naturalization until he or she has reached the required 3- or 5-year period of continuous residence as an LPR. Applicants filing up to 90 days before meeting the continuous residence requirement must still meet all other requirements for naturalization at the time of filing Form N-400. For example, an applicant filing under section 319(a) of the INA must meet all other requirements as the spouse of a U.S. citizen at the time of filing.

Specific Instructions

This form is divided into 18 parts.

Part 1. Information About Your Eligibility

Select the box that applies to you. Select only one box. If you select more than one box, your Form N-400 may be delayed.

NOTE: If you are a lawful permanent resident of the United States, **and** you are the spouse of a U.S. citizen, **and** your U.S. citizen spouse is regularly engaged in specified employment abroad (Section 319(b) of the INA), **and** you were authorized to accompany and reside with your spouse abroad, **you do not qualify to naturalize overseas and must be present in the United States at the time of interview and naturalization.** Therefore, type or print the name of the USCIS Field Office where you would like to have your naturalization interview. Visit the USCIS website at www.uscis.gov/about-us/find-uscis-office/field-offices to find a USCIS Field Office.

Part 2. Information About You (Person applying for naturalization)

Item Number 1. Your Current Legal Name. Your current legal name is the name on your birth certificate unless it changed after birth by a legal action such as a marriage or court order. Do not provide a nickname.

Item Number 2. Your Name Exactly As It Appears on Your Permanent Resident Card (if applicable). Type or print your name exactly as it appears on your Permanent Resident Card even if it is misspelled or has changed through marriage, divorce, or other court order since you received your card. Type or print “N/A” if you do not have a Permanent Resident Card.

Item Number 3. Other Names You Have Used Since Birth (include nicknames, aliases, and maiden name, if applicable). If you have used any other names or aliases, provide them in this section. If you need extra space to complete this section, use a separate sheet of paper.

Item Number 4. Name Change (Optional). A court can allow you to change your name when you are naturalized. Any name change you request on this application will not be final until you are naturalized by the court. If you want the court to change your name at your naturalization oath ceremony, select “Yes” and complete this section. You do not need to request a name change if your name has changed through marriage, divorce, or other court order.

NOTE: USCIS cannot process name change requests for members of the military, or their spouses, who are naturalizing overseas.

Item Number 5. U.S. Social Security Number (if applicable). Provide your U.S. Social Security number. Type or print “N/A” if you do not have one.

Item Number 6. USCIS Online Account Number (if any). If you have previously filed an application, petition, or request using the USCIS online filing system (previously called USCIS Electronic Immigration System (USCIS ELIS)), provide the USCIS Online Account Number you were issued by the system. You can find your USCIS Online Account Number by logging in to your account and going to the profile page. If you previously filed certain applications, petitions, or requests on a paper form via a USCIS Lockbox facility, you may have received a USCIS Online Account Access Notice issuing you a USCIS Online Account Number. If you received such a notice, your USCIS Online Account Number can be found at the top of the notice. If you were issued a USCIS Online Account Number, enter it in the space provided. The USCIS Online Account Number is not the same as an A-Number.

Item Number 7. Gender. Indicate if you are male or female.

Item Number 8. Date of Birth. Always use eight numbers to show your date of birth. Type or print the date in this order: Month, Day, Year. For example, type or print May 1, 1958, as 05/01/1958. USCIS will reject your Form N-400 if you do not provide your date of birth.

Item Number 9. Date You Became a Lawful Permanent Resident (if applicable). Provide the official date when your permanent residence began as shown on your Permanent Resident Card (formerly known as the Alien Registration Card). Provide the date in this order: Month, Day, Year. For example, type or print August 9, 1988, as 08/09/1988. USCIS may reject your application if you are a lawful permanent resident and do not provide the date you became a lawful permanent resident.

NOTE: You need both your USCIS A-Number and your permanent resident date to file Form N-400. Where applicable, if you do not have this information, you should schedule an appointment to obtain this information before you file your Form N-400.

Item Number 10. Country of Birth. Type or print the name of the country in which you were born. Use the name of the country at the time of your birth, even if the name of the country has changed.

Item Number 11. Country of Citizenship or Nationality. Type or print the name of the country as it currently exists, where you are currently a citizen or national. If the country no longer exists, type or print the current name of the country with current authority.

1. If you are stateless, type or print the name of the country, as it currently exists, where you were last a citizen or national.
2. If you are a citizen or national of more than one country, type or print the name of the foreign country that issued your last passport.

Item Number 12. Do you have a physical or developmental disability or mental impairment that prevents you from demonstrating your knowledge and understanding of the English language and/or civics requirements for naturalization? Select “Yes” if you are requesting an exception to the English language and/or civics tests based on a physical or developmental disability or mental impairment that prevents you from complying with the English language and/or civics requirements for naturalization. Submit Form N-648, Medical Certification for Disability Exceptions, as an attachment to your Form N-400.

NOTE: Submitting a Form N-648 does not guarantee you will be exempted from the testing requirements.

Item Number 13. Exemptions from the English Language Test. Depending on your age and the length of time you have been a lawful permanent resident, you may not be required to take the English language test. Refer to the **Naturalization Testing, Exemptions From the English Language Test**, section of these Instructions for more information (page 2 of 18).

Part 3. Accommodations for Individuals with Disabilities and/or Impairments

USCIS is committed to providing reasonable accommodations for qualified individuals with disabilities and/or impairments that will help them fully participate in USCIS programs and benefits. Reasonable accommodations vary with each disability and/or impairment. They may involve modifications to practices or procedures. There are various types of reasonable accommodations that USCIS may offer. Examples include but are not limited to:

1. If you are deaf or hard of hearing, USCIS may provide you with a sign-language interpreter at an interview or other immigration benefit-related appointment;
2. If you are blind or have low vision, USCIS may permit you to take a test orally rather than in writing; or
3. If you are unable to travel to a designated USCIS location for an interview, USCIS may visit you at your home or hospital to conduct the naturalization interview.

If you believe that you need USCIS to accommodate your disability and/or impairment, select “Yes” and then any applicable box in **Items A. - C. in Item Number 1.** that describes the nature of your disabilities and/or impairments. Also, describe the types of accommodations you are requesting on the lines provided. If you are requesting a sign-language interpreter, indicate for which language (for example American Sign Language). If you need extra space to complete this section, use a separate sheet of paper.

NOTE: All domestic USCIS facilities meet the Accessibility Guidelines of the Americans with Disabilities Act, so you do not need to contact USCIS to request an accommodation for physical access to a domestic USCIS office. However, in **Part 3., Item C. in Item Number 1.** of this application, you can indicate whether you use a wheelchair. This will allow USCIS to better prepare for your visit.

NOTE: USCIS also ensures that limited English proficient (LEP) individuals are provided meaningful access at an interview or other immigration benefit-related appointment, unless otherwise prohibited by law. LEP individuals may bring a qualified interpreter to the interview.

USCIS considers requests for reasonable accommodations on a case-by-case basis, and we will make our best efforts to reasonably accommodate your disabilities and/or impairments. USCIS will not exclude you from participating in USCIS programs or deny your application because of your disabilities and/or impairments. Requesting and/or receiving an accommodation will not affect your eligibility for an immigration benefit.

Part 4. Information to Contact You

Provide your current telephone numbers as well as your current email address. Type or print “N/A” if an item is not applicable or if the answer is “none” unless otherwise indicated. If you are hearing impaired and use a TTY telephone connection, indicate this by writing “TTY” after the telephone number.

Part 5. Information About Your Residence

List every address where you have lived during the last 5 years (including other countries) **prior to filing your Form N-400.** Start with where you live now, and then include the dates for each place you have lived in a month, day, and year format (mm/dd/yyyy). For example, type or print May 1, 1998 to June 1, 1999 as 05/01/1998 to 06/01/1999.

Provide your mailing address if it is different from your current address. Provide “In Care Of Name” information, if applicable.

If you do not have a State or Province, enter the name of your city again in that box. If you do not have a ZIP or Postal Code, enter “00000” in the ZIP or Postal Code box.

NOTE: USCIS may not be able to contact you if you do not provide a complete and valid mailing address. If USCIS rejects your Form N-400, USCIS may not be able to return the fee for the Form N-400 to you if you do not provide a complete and valid mailing address.

If you are residing outside of the United States, filing under INA section 319(b), and you want USCIS to collect your biometrics in the United States, then you must provide an address in the United States. USCIS will send a letter to your U.S. mailing address notifying you when and where to go for your biometrics services appointment.

If you are a victim of domestic violence, you are not required to disclose the confidential address of a shelter or safe house. If you are residing in a shelter or safe house at the time of filing this application or you do not feel safe providing your current address, you may provide a “safe address” where you are able to receive mail. Do not provide a Post Office Box number unless that is your only address. If you are not currently residing in a shelter or safe house, but have resided in a shelter or safe house for part of the reporting period, you may provide just the name of the city and state of residence for the shelter or safe house. Further clarification, if needed, will occur at the interview.

If someone assisted you in completing the application, select the box indicating that you used a preparer. Further, you must sign and date your application. Do not complete this part until a USCIS Officer instructs you to do so at your interview.

Most people do not have a foreign hereditary title or order of nobility. This part will apply only if you answered “Yes” to **Part 12., Items A. and B., in Item Number 4.** If you do have a hereditary title or order of nobility, the law requires you to renounce this title as part of your oath ceremony to become a U.S. citizen. In **Part 17.** you must affirm you are ready to do so.

Part 18. Oath of Allegiance

Do not complete this part. The USCIS Officer will ask you to complete this part at your interview.

If USCIS approves your application, you must take this Oath of Allegiance to become a U.S. citizen. In limited cases, you can take a modified oath. The oath requirement cannot be waived unless you are unable to understand its meaning because of a physical or developmental disability or mental impairment. For more information, see A Guide to Naturalization (M-476). Your signature on this application only indicates that you have no objections to taking the Oath of Allegiance. It does not mean that you have taken the oath or that you are naturalized. If USCIS approves your Form N-400 for naturalization, you must attend an oath ceremony and take the Oath of Allegiance to the United States.

We recommend that you print or save a photocopy of your completed application to review in the future and for your records.

What Is the Filing Fee?

The filing fee for Form N-400 is **\$640**. A biometric services fee of **\$85** is also required for applicants under 75 years of age when filing Form N-400 regardless of where the applicant lives and whether the applicant is filing from within the United States or abroad.

NOTE: No filing fee is required for military applicants filing under section 328 or 329 of the INA.

Biometric Services Fee Exceptions

You do not have to pay a biometric services fee if:

1. You are 75 years of age or older; or
2. You are filing under the military provisions, Section 328 or 329 of the INA.

USCIS **cannot** accept a biometric services fee if you are not required to pay a biometric services fee.

Rejected Applications

USCIS will reject your Form N-400 if you submit the incorrect fee or an incorrect payment method. USCIS also will reject your Form N-400 if you include payment for more than what you are required to pay.

In the event USCIS rejects your application, we will return any filing fees with your application.

Use the following guidelines when you are paying for your application. You must:

1. Pay for each application using a single payment method (check, money order, or credit card) and not a combination of methods; and
2. Use the same payment method for all applications that are mailed together.

NOTE: You must submit all fees in the exact amounts. The filing fee and biometric services fee are not refundable, regardless of any action USCIS takes on this application. **DO NOT MAIL CASH.**

Payments By Check or Money Order

Use the following guidelines when you prepare your checks or money orders for the Form N-400 filing fee and biometric services fee:

1. The checks or money orders must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; and
2. Make the checks or money orders payable to U.S. Department of Homeland Security.

NOTE: Spell out U.S. Department of Homeland Security; do not use the initials “USDHS” or “DHS.”

3. If you live outside the United States, contact the nearest U.S. Embassy or U.S. Consulate for instructions on the method of payment.

Notice to Those Making Payment by Check

If you send us a check, USCIS will convert it into an electronic funds transfer (EFT). This means we will photocopy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check, but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as unpayable, USCIS will re-submit the payment to the financial institution one time. If the check is returned as unpayable a second time, we will reject your application and charge you a returned check fee.

Payments by Credit Card

Use the following guidelines when you complete Form G-1450 to pay your Form N-400 fees by credit card:

1. Make sure to complete all three sections of the authorization and sign your authorization; and

NOTE: Failure to provide the requested information may result in USCIS and your financial institution not accepting the payment. USCIS cannot process credit card payments without an authorized signature.

2. Place your Form G-1450 ON TOP of your Form N-400.

Notice to Those Making Payment by Credit Card

If you submit Form G-1450, USCIS will use the information you provide to process a credit card payment through the Department of Treasury Pay.gov Collections Control Panel (CCP). CCP is a Web-based application that allows government agencies to process payments by credit or debit cards.

After USCIS processes your Form G-1450, **we will destroy your authorization**, regardless if USCIS approves or denies your application. USCIS will reject your application for lack of payment if your credit card is declined. USCIS will not attempt to process your credit card payment again.

You must use a single credit card to pay all fees on an individual application.

For more information about Form G-1450 and credit card payments for Form N-400, please visit www.uscis.gov/N-400 or review the frequently asked questions, Pay Your N-400 Application Fee with a Credit Card, at <http://www.uscis.gov/forms/fingerprints/pay-your-n-400-application-fee-your-credit-card>.

How To Check If the Fees Are Correct

Form N-400 filing fee and biometric services fee are current as of the edition date in the lower left corner of this page. However, because USCIS fees change periodically, you can verify that the fees are correct by following one of the steps below.

1. Visit the USCIS website at www.uscis.gov, select “FORMS,” and check the appropriate fee; or
2. Call the USCIS National Customer Service Center at **1-800-375-5283** and ask for fee information. For TTY (deaf or hard of hearing) call **1-800-767-1833**.

Fee Reduction

You may be eligible for a fee reduction. To qualify for the reduced fee, your household income must be greater than 150 percent and not more than 200 percent of the Federal Poverty Guidelines, at the time of filing, based on your household size. The Federal Poverty Guidelines are established by the Secretary of the Department of Health and Human Services annually. To obtain information on the current Federal Poverty Guidelines, visit our website at www.uscis.gov/I-942P and review Form I-942P, Income Guidelines for Reduced Fees.

If you believe you are eligible for a fee reduction, complete Form I-942, Request for Reduced Fee, and submit it and any required evidence to support your request with this application. If you are under 75 years of age, there is no reduction available for the biometric services fee. If your request for reduced fee is approved you will pay **\$320** plus **\$85** for a total payment of **\$405**. You do not have to pay a biometric services fee if you are 75 years of age or older.

NOTE: USCIS cannot accept a biometric services fee if you are not required to pay a biometric services fee. USCIS will reject your Form N-400 if you submit the incorrect fee or if you attach payment for more than what you are required to pay. In such a case, USCIS will return any filing fees you submitted with your Form N-400.

Fee Waiver

You may be eligible for a fee waiver under 8 CFR 103.7(c). If you believe you are eligible for a fee waiver, complete Form I-912, Request for Fee Waiver (or a written request) and submit it and any required evidence of your inability to pay the filing fee with this application. You can review the fee waiver guidance at www.uscis.gov/feewaiver.

Re-Filing Form N-400

If USCIS denied your previously filed Form N-400 and you are filing a new Form N-400, you must pay the full amount. **Otherwise, USCIS will not accept your Form N-400. USCIS cannot apply a previously submitted filing fee amount to a newly filed Form N-400.**

Any application that is not completed in accordance with these Instructions, is missing pages, or otherwise not executed in its entirety, or is not accompanied by the required initial evidence, may also be rejected. You may correct the deficiency and resubmit Form N-400. An application is not considered properly filed until accepted by USCIS.

If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

Penalties

If you knowingly and willfully falsify or conceal a material fact or submit a false document with this Form N-400, USCIS can deny your Form N-400 and may deny any other immigration benefit. In addition, you may face criminal prosecution and penalties provided by law.

USCIS Compliance Review and Monitoring

By signing this application, you have stated under penalty of perjury (28 U.S.C. section 1746) that all information and documentation submitted with this application is complete, true, and correct. You also authorize the release of any information from your records that USCIS may need to determine your eligibility for the immigration benefit you are seeking and consent to USCIS verifying such information.

The Department of Homeland Security (DHS) has the authority to verify any information you submit to establish eligibility for the immigration benefit you are seeking at any time. USCIS’ legal authority to verify this information is in 8 U.S.C. sections 1103, 1155, and 1184; and 8 CFR Parts 103, 204, 205, 214, 316, and 336. To ensure compliance with applicable laws and authorities, USCIS may verify information before or after your case is decided.

Agency verification methods may include, but are not limited to, review of public records and information; contact via written correspondence, the Internet, facsimile, other electronic transmission, or telephone; unannounced physical site inspections of residences and locations of employment; and interviews. USCIS will use information obtained through verification to assess your compliance with the laws and to determine your eligibility for an immigration benefit.

Subject to the restrictions under 8 CFR 103.2(b)(16), USCIS will provide you with an opportunity to address any adverse or derogatory information that may result from a USCIS compliance review, verification, or site visit after a formal decision is made on your case or after the agency has initiated an adverse action which may result in revocation or termination of an approval.
