What Is the Purpose of Form N-565?

Form N-565, Application for Replacement Naturalization/Citizenship Document, is used to apply to U.S. Citizenship and Immigration Services (USCIS) for a replacement of a:

1. Certificate of Naturalization;
2. Certificate of Citizenship;
3. Declaration of Intention; or
4. Repatriation Certificate.

You can also use this application to apply for a special certificate of naturalization to have a foreign country recognize you as a U.S. citizen.

Who May File Form N-565?

You may apply for a replacement document if you were issued a Certificate of Naturalization, Certificate of Citizenship, Declaration of Intention, or Repatriation Certificate, and at least one of the following applies:

1. The document was lost, stolen, destroyed, or mutilated;
2. The document is incorrect due to a typographical or clerical error by USCIS;
3. Your name was changed by marriage, divorce, annulment, or court order, and you seek a document in your new name; or
4. You obtained a court order, a government-issued document, or a letter from a licensed health care professional recognizing that your gender is different from the gender listed on your current document, and you seek a document reflecting the recognized gender.

In addition, you may apply for a replacement of your Certificate of Citizenship if you obtained a court order or a document issued by the U.S. government or the government of any U.S. state that changes your date of birth, and you seek a document with the new date of birth.

You may also file this application if you are a naturalized citizen seeking a special certificate of naturalization for the purpose of a foreign country recognizing you as a U.S. citizen.

If the document was lost in the mail, please submit an online case service request for non-delivery of document prior to submitting Form N-565.

NOTE: USCIS will not change your name without evidence such as a marriage certificate, divorce decree, or court order. We will not change the date of birth on a Certificate of Citizenship without documentation such as a U.S. court order or state-issued documents.

USCIS cannot make any changes to an incorrect date of birth or name on a Certificate of Naturalization if you provided an incorrect date or name on your Form N-400, Application for Naturalization, and then later swore to the facts of your application by signing Part 16, Signature at Interview. We can only change the name on your Certificate of Naturalization if you changed your name after you naturalized.
General Instructions

We provide free forms through the USCIS website. To view, print, or complete our forms, you should use the latest version of Adobe Reader, which you can download for free at http://get.adobe.com/reader/

Signature. You (or your signing authority) must properly complete your application. USCIS will not accept a stamped or typewritten name in place of any signature on this application. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person. If your application is not signed, or if the signature is not valid, we will reject your application. See 8 CFR 103.2(a)(7)(ii) (A). If USCIS accepts a request for adjudication and determines that it has a deficient signature, USCIS may deny the request.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of an original handwritten signature as valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten ink signature.

Filing Fee. See Form G-1055, available at www.uscis.gov/forms, for specific information about the fees applicable to this form.

Evidence. When you file your application, you must submit all evidence and supporting documents listed in the Initial Evidence section of these Instructions. For additional information, see the USCIS Policy Manual, Volume 12, Part K, Certificates of Citizenship and Naturalization at www.uscis.gov/policymanual.

Biometric Services Appointment. USCIS may require you to appear for an interview or provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. If we determine that a biometric services appointment is necessary, we will send you an appointment notice with the date, time, and location of your appointment. If you are currently overseas, your notice will instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to schedule an appointment.

At your biometrics appointment, you must sign an oath reaffirming that:

1. You provided or authorized all information in the application;
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

If you do not attend your biometric services appointment, we may deny your application.

Copies. You should submit legible photocopies of requested documents unless the Instructions specifically instruct you to submit an original document. USCIS may request an original document at any time during our process. If we request an original document from you, we will return it to you after USCIS determines it no longer needs the original.

NOTE: If you submit original documents when they are not required or requested, USCIS may destroy them after we receive them.

If you are not able to make that attestation in good faith at that time, we will require you to return for another appointment.

Initial Evidence

1. Photographs. If you reside in the United States, USCIS may request that you attend an appointment at an ASC to have your photograph taken. If you reside outside the United States, you must submit two identical color passport-style photographs of yourself taken recently. The photos must have a white to off-white background, be printed on thin paper with a glossy finish, and be unmounted and unretouched.

   The photos must be 2 by 2 inches with a full face, frontal view. Head height should measure 1 to 1 3/8 inches from the top of your hair to the bottom of your chin, and eye height should measure between 1 1/8 to 1 3/8 inches from the top of your eyes to the bottom of the photo. Your head must be bare unless you are wearing headwear as required by your religious denomination. Use a pencil or felt pen to lightly print your name and A-Number (if any) on the back of the photos.

3. If your marital status has changed since your original document was issued, you must submit a copy of the document establishing your change in marital status (such as your marriage certificate, divorce decree, annulment decree, or spouse's death certificate).
4. If your document was lost, stolen, or destroyed, you must attach a copy of the document (if available), a police report, and/or a sworn statement explaining what happened to the document and any attempts to retrieve the document.

5. If you are applying for replacement of a mutilated document, you must attach the original mutilated document.

6. If you are applying for replacement of a document that is incorrect due to a typographical or clerical error by USCIS, you must attach the original incorrect document and complete Part 4 of Form N-565.

7. If you are applying for a new document because your name was changed, you must submit the original USCIS document and a copy of either the original or certified document establishing the name change (such as a marriage certificate, divorce decree, annulment decree, or court order), and complete Part 5 of Form N-565.

8. If you are applying for a new Certificate of Citizenship because your date of birth has legally changed, you must submit the original USCIS document you are seeking to replace. You must also submit a copy of either the original or certified document establishing the date of birth change (for example, a court order or vital record document issued by the U.S. Government or the government of any U.S. state (“U.S. Government documents”)) and complete Part 6 of Form N-565. U.S. Government documents may include a birth certificate, a certificate recognizing foreign birth, a certificate of birth abroad, or other similar vital records issued by the U.S. state where you resided when the document was issued. Only applicants applying for a new Certificate of Citizenship may select this option.

9. If you are applying for a new document that reflects a different gender than is shown on your current document, you must submit the original USCIS document along with one of the forms of evidence listed below supporting the requested official change in gender designation and complete Part 7 of Form N-565.

Submit one of the following forms of evidence supporting your requested official change in gender designation:

A. A court order granting change of sex or gender;

B. A government-issued document reflecting the requested gender designation. Acceptable government-issued documents include an amended birth certificate, a passport, a driver's license, or other official document showing identity issued by the U.S. Government, a state or local government in the United States, or a foreign government;

C. A letter from a licensed health care professional certifying the requested gender designation is consistent with your gender identity. Licensed health care professionals include licensed counselors, nurse practitioners, physicians (Medical Doctors or Doctors of Osteopathy), physician assistants, psychologists, social workers, and therapists. The health care certification must include the following information:

   (1) A court order granting change of sex or gender;

   (2) The health care professional's license number and issuing state, country, or other jurisdiction of the professional license;

   (3) Language stating the health care professional has treated or evaluated you in relation to your gender identity; and

   (4) The health care professional's assessment of your gender identity.

10. If you are applying for a special certificate of naturalization to obtain recognition as a citizen of the United States by a foreign country, you must attach a copy of your naturalization certificate.

   NOTE: USCIS regulations require this special certificate when a foreign state requires proof of your citizenship for any legitimate purpose, except for admission to the foreign country or in processing their own immigration benefit requests.

11. If you are filing from overseas and provide a foreign mailing address, USCIS will send your new document (if approved) to the nearest U.S. Embassy, U.S. Consulate, or USCIS field office. You will receive notification by mail where to pick up your new document.
