World War I

World War I is one war fought by the United States in the 1900s.

78. Name one war fought by the United States in the 1900s. _____________________________

The U.S. fought in World War I from 1917 — 1918.

World War I began in Europe in 1914, and it officially ended in 1919.

Fighting in World War I ended on November 11, 1918.

4.7 million Americans served in World War I, and 116,516 Americans died in World War I.

President Woodrow Wilson

Woodrow Wilson was president during World War I.

79. Who was President during World War I? ________________________________

Woodrow Wilson was the 28th President of the United States. He served from 1913 — 1921.

Veterans Day

In 1919, President Woodrow Wilson made November 11th a holiday to honor those who served in the U.S. military during World War I.

Many years later, November 11 became known as Veterans Day.

Today, Veterans Day is a national U.S. holiday when we honor American veterans of all wars.

Another national U.S. holiday is Memorial Day. It honors people who died while serving the U.S. during a war. We celebrate Memorial Day on the last Monday in May each year.
World War I Memorial

The World War I Memorial opened in 2021. It is located near the White House Visitor Center.

The World War I Memorial includes maps that show where the United States fought. It also includes engravings that explain what happened during World War I.
