

## Webinar Invitation

### Online Filing and Tools April 10, 2018 2-3 p.m. (Eastern)

U.S. Citizenship and Immigration Services (USCIS) invites libraries to participate in a webinar on April 10 from 2-3 p.m. (Eastern). USCIS representatives will provide an overview of [myUSCIS](#) and its newest features including an overview of online filing for naturalization.

myUSCIS is an online service that helps users and account holders navigate the immigration process. They can use myUSCIS to find up-to-date status information about pending immigration benefit requests, tools to help prepare for naturalization, and resources to find citizenship preparation classes and doctors. Through myUSCIS, users can also establish an online account and file to renew or replace their Green Card and apply for naturalization.

The webinar will conclude with a question-and-answer session. We cannot answer any case-specific inquiries.

The webinar is presented as part of the [federal partnership](#) with the Institute of Museum and Library Services to provide citizenship and immigration information to library and museum professionals.
