USCIS Adult Citizenship Education Training Program

Listening Session

Thursday, Feb. 15, 2024

2:30 – 3:30 p.m. Eastern

U.S. Citizenship and Immigration Services invites you to participate in a listening session on **Thursday, Feb. 15, 2024, 2:30 – 3:30 p.m. Eastern**, to engage in dialogue with us about our [USCIS Adult Citizenship Education Training Program](#).

Each year, USCIS offers free training sessions designed to enhance the skills needed to teach U.S. history, civics, and the naturalization process to immigrants who are eligible to naturalize. The information and skills taught in these sessions help educators, volunteers, and organizations to provide a comprehensive adult citizenship program to local communities.

As part of our continued commitment to provide high quality training, we are seeking feedback from current and former program participants on ways we can better meet the needs of teachers working to prepare students for the naturalization process and the English and civics tests.
