**DISCUSSION:** The preference visa petition was denied by the Director, Texas Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be sustained and the petition approved.

The petitioner is an international accounting and management company. It seeks to employ the beneficiary permanently in the United States as manager, IT development. As required by statute, the petition is accompanied by an ETA Form 9089, Application for Permanent Employment Certification, approved by the United States Department of Labor (DOL). Upon reviewing the petition, the director determined that the beneficiary did not satisfy the minimum level of education or experience stated on the labor certification. The director denied the petition accordingly.

The AAO conducts appellate review on a *de novo* basis. See *Soltane v. DOJ*, 381 F.3d 143, 145 (3d Cir. 2004).

In pertinent part, section 203(b)(2) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1153(b)(2), provides immigrant classification to members of the professions holding advanced degrees or their equivalent and whose services are sought by an employer in the United States. An advanced degree is a United States academic or professional degree or a foreign equivalent degree above the baccalaureate level. 8 C.F.R. § 204.5(k)(2). The regulation further states: "A United States baccalaureate degree or a foreign equivalent degree followed by at least five years of progressive experience in the specialty shall be considered the equivalent of a master's degree. If a doctoral degree is customarily required by the specialty, the alien must have a United States doctorate or a foreign equivalent degree." *Id.*

To be eligible for approval, a beneficiary must have all the education, training, and experience specified on the labor certification as of the petition's priority date. See *Matter of Wing's Tea House*, 16 I&N 158 (Act. Reg. Comm. 1977). The priority date of the petition is January 10, 2008, which is the date the labor certification was accepted for processing by the DOL. See 8 C.F.R. § 204.5(d). The Immigrant Petition for Alien Worker (Form I-140) was filed on June 15, 2009.

Upon review of the entire record, including evidence submitted on appeal, the AAO concludes that the petitioner has established that it is more likely than not that the beneficiary had all the education, training, and experience specified on the ETA Form 9089 as of January 10, 2008. Therefore, the beneficiary qualifies for preference visa classification under section 203(b)(2) of the Act.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. § 1361. The petitioner has met that burden.

**ORDER:** The appeal is sustained, and the petition is approved.
