DISCUSSION: The Director, Texas Service Center (the director) denied the immigrant visa petition and the matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be summarily dismissed.

The petitioner requests classification of the beneficiary as an advanced degree professional pursuant to section 203(b)(2) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1153(b)(2). The director determined that the petitioner failed to demonstrate a continuing ability to pay the proffered wage beginning on the priority date.

Counsel made no statement of the basis for the appeal. On the cover letter accompanying the Form I-290B, Notice of Appeal or Motion, counsel merely states she submits the Notice of Appeal and has attached a copy of the director's decision. Counsel indicated that she would not be filing a brief and/or additional evidence. Therefore, the record on appeal is complete.

As stated in 8 C.F.R. § 103.3(a)(1)(v), an appeal shall be summarily dismissed if the party concerned fails to identify specifically any erroneous conclusion of law or statement of fact for the appeal.

Counsel here has not specifically addressed the reasons stated for denial and has not provided any additional evidence. She has not even expressed disagreement with the director's decision. The appeal must therefore be summarily dismissed.

ORDER: The appeal is summarily dismissed.
