DATE: NOV. 25, 2015

APPEAL OF NEBRASKA SERVICE CENTER DECISION

PETITION: FORM I-140, IMMIGRANT PETITION FOR ALIEN WORKER

The Petitioner provides information technology services and seeks to permanently employ the Beneficiary as a programmer analyst. The petition requests the Beneficiary's immigrant classification as a member of the professions holding an advanced degree. *See* Immigration and Nationality Act (the Act) § 203(b)(2)(A), 8 U.S.C. § 1153(b)(2)(A). The Director, Nebraska Service Center, denied the petition. The matter is now before us on appeal. The appeal will be summarily dismissed.

We must summarily dismiss an appeal if an affected party does not specify an erroneous conclusion of law or statement of fact. 8 C.F.R. § 103.3(a)(1)(v). Part 4 of Form I-290B, Notice of Appeal or Motion, requires an affected party to provide a statement regarding the basis for the appeal or motion. *See* 8 C.F.R. § 103.2(a)(1) (incorporating a form's instructions into the regulations).

In the instant case, the Petitioner's Form I-290B did not include a statement regarding the basis for its appeal. The form indicates that the Petitioner will submit a brief and/or additional evidence to us within 30 days of the appeal's filing. The Petitioner must submit any brief or additional evidence directly to us. *See* 8 C.F.R. §§ 103.3(a)(2)(vii), (viii). We received the appeal on March 4, 2015. However, as of this date, more than six months later, we have received nothing further.

The Petitioner has not addressed the reasons stated for denial and has not provided any additional evidence. We must therefore summarily dismiss the appeal pursuant to 8 C.F.R. § 103.3(a)(1)(v).

**ORDER:** The appeal is summarily dismissed.
