IN RE: Petitioner: [Redacted]
Beneficiary: [Redacted]

PETITION: Immigrant Petition for Alien Worker as a Skilled Worker or Professional Pursuant to Section 203(b)(3) of the Immigration and Nationality Act, 8 U.S.C. § 1153(b)(3)

ON BEHALF OF PETITIONER:

[Redacted]

INSTRUCTIONS:

Enclosed please find the decision of the Administrative Appeals Office in your case. All of the documents related to this matter have been returned to the office that originally decided your case. Please be advised that any further inquiry that you might have concerning your case must be made to that office.

If you believe the AAO inappropriately applied the law in reaching its decision, or you have additional information that you wish to have considered, you may file a motion to reconsider or a motion to reopen in accordance with the instructions on Form I-290B, Notice of Appeal or Motion, with a fee of \$630. The specific requirements for filing such a motion can be found at 8 C.F.R. § 103.5. **Do not file any motion directly with the AAO.** Please be aware that 8 C.F.R. § 103.5(a)(1)(i) requires any motion to be filed within 30 days of the decision that the motion seeks to reconsider or reopen.

Thank you,

 Perry Rhew
Chief, Administrative Appeals Office

DISCUSSION: The preference visa petition was denied by the Director, Texas Service Center. The subsequent appeal was dismissed by the Administrative Appeals Office (AAO). The matter is now before the AAO on a motion to reconsider. The motion will be dismissed, the previous decision of the AAO will be affirmed, and the petition will be denied.

Title 8 C.F.R. § 103.5(a)(3) states, in pertinent part:

A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision.

The motion to reconsider has been reviewed and found that it does not qualify for consideration under 8 C.F.R. § 103.5(a)(3). The petitioner's counsel makes no assertion that the director or the AAO made an erroneous decision through misapplication of law or policy. The motion shall be dismissed.

Furthermore, the motion shall be dismissed for failing to meet an applicable requirement. The regulation at 8 C.F.R. §§ 103.5(a)(1)(iii) lists the filing requirements for motions to reopen and motions to reconsider. Section 103.5(a)(1)(iii)(C) requires that motions be "[a]ccompanied by a statement about whether or not the validity of the unfavorable decision has been or is the subject of any judicial proceeding." In this matter, the motion does not contain the statement required by 8 C.F.R. § 103.5(a)(1)(iii)(C). The regulation at 8 C.F.R. § 103.5(a)(4) states that a motion which does not meet applicable requirements must be dismissed. Therefore, because the instant motion did not meet the applicable filing requirements listed in 8 C.F.R. § 103.5(a)(1)(iii)(C), it must also be dismissed for this reason.

Motions for the reopening or reconsideration of immigration proceedings are disfavored for the same reasons as petitions for rehearing and motions for a new trial on the basis of newly discovered evidence. See *INS v. Doherty*, 502 U.S. 314, 323 (1992)(citing *INS v. Abudu*, 485 U.S. 94 (1988)). A party seeking to reopen a proceeding bears a "heavy burden." *INS v. Abudu*, 485 U.S. at 110. With the current motion, the movant has not met that burden. The motion will be dismissed.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. § 1361. The petitioner has not sustained that burden. Accordingly, the motion will be dismissed, the proceedings will not be reopened or reconsidered, and the previous decisions of the director and the AAO will not be disturbed.

ORDER: The motion is dismissed.
