MATTER OF I-T- INC.

DATE: OCT. 26, 2015

APPEAL OF TEXAS SERVICE CENTER DECISION

PETITION: FORM I-140, IMMIGRANT PETITION FOR ALIEN WORKER

The Petitioner, an information technology consulting firm, seeks to permanently employ the beneficiary in the United States as a software engineer as a skilled worker. *See* section 203(b)(3)(A)(i) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1153(b)(3)(A)(i). The Director, Texas Service Center, denied the petition. The Director denied the subsequent motion to reconsider. The matter is now before us on appeal. The appeal will be summarily dismissed.

The Director determined that the Petitioner did not demonstrate that the beneficiary possessed the required minimum education for the proffered job.

The Petitioner submitted a Form I-290B, Notice of Appeal or Motion, and indicated that evidence or a brief would be submitted within 30 days. The Petitioner dated the appeal April 30, 2015. However, as of this date, more than five months later, we have received nothing further, and the regulation requires that any brief shall be submitted directly to us. 8 C.F.R. §§ 103.3(a)(2)(vii) and (viii).

As stated in 8 C.F.R. § 103.3(a)(1)(v), an appeal shall be summarily dismissed if the party concerned does not identify specifically any erroneous conclusion of law or statement of fact for the appeal.

The Petitioner here has not specifically addressed the reasons stated for denial and has not provided any additional evidence. The Petitioner did not submit a statement regarding the basis for the appeal, as required in Part 4 of the Form I-1290B. The appeal must therefore be summarily dismissed.

ORDER: The appeal is summarily dismissed pursuant to 8 C.F.R. § 103.3(a)(1)(v).
