Date:

IN RE: Petitioner: [REDACTED]
Beneficiary: [REDACTED]

PETITION: Immigrant Petition for Special Immigrant Religious Worker Pursuant to Section 203(b)(4) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1153(b)(4), as described at Section 101(a)(27)(C) of the Act, 8 U.S.C. § 1101(a)(27)(C)

ON BEHALF OF PETITIONER:

SELF-REPRESENTED

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Robert P. Wiemann, Chief
Administrative Appeals Office

DISCUSSION: The Director, Vermont Service Center, denied the employment-based immigrant visa petition. The matter is now before the Administrative Appeals Office on appeal. The appeal will be summarily dismissed.

8 C.F.R. § 103.3(a)(1)(v) states, in pertinent part, “[a]n officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically any erroneous conclusion of law or statement of fact for the appeal.”

On the Form I-290B Notice of Appeal, filed on March 29, 2006, the petitioner indicated that further evidence would be forthcoming within thirty days. To date, a year later, careful review of the record reveals no subsequent submission; all other documentation in the record predates the issuance of the notice of decision. The petitioner’s statement on appeal is limited to the assertion that he needs more time to obtain the required evidence. The petitioner offers no substantive basis for the appeal.

Inasmuch as the petitioner has failed to identify specifically an erroneous conclusion of law or a statement of fact as a basis for the appeal, the appeal must be summarily dismissed.

ORDER: The appeal is dismissed.
