IN RE: Petitioner: [REDACTED]
Beneficiary: [REDACTED]

PETITION: Petition for Alien Fiancé(e) Pursuant to § 101(a)(15)(K) of the Immigration and Nationality Act, 8 U.S.C. § 1101(a)(15)(K)

ON BEHALF OF PETITIONER:

SELF-REPRESENTED

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the Director, California Service Center, and is now on appeal before the Administrative Appeals Office (AAO). The appeal will be sustained.

The petitioner is a citizen of the United States who seeks to classify the beneficiary, a native and citizen of Ethiopia, as the fiancé of a United States citizen pursuant to § 101(a)(15)(K) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1101(a)(15)(K). The director denied the petition after determining that the petitioner and the beneficiary no longer had the intent to marry, but rather were already married at the time the petition was filed. On appeal, the petitioner states that she and the beneficiary were only married in church in Ethiopia, and their marriage will not be legally recognized until it is registered with civil authorities.

Section 101(a)(15)(K) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1101(a)(15)(K), provides nonimmigrant classification to an alien who:

- (i) is the fiancé(e) of a U.S. citizen and who seeks to enter the United States solely to conclude a valid marriage with that citizen within 90 days after admission;
- (ii) has concluded a valid marriage with a citizen of the United States who is the petitioner, is the beneficiary of a petition to accord a status under section 201(b)(2)(A)(i) that was filed under section 204 by the petitioner, and seeks to enter the United States to await the approval of such petition and the availability to the alien of an immigrant visa; or
- (iii) is the minor child of an alien described in clause (i) or (ii) and is accompanying, or following to join, the alien.

Section 214(d) of the Act, 8 U.S.C. § 1184(d), states, in pertinent part, that a fiancé(e) petition:

. . . shall be approved only after satisfactory evidence is submitted by the petitioner to establish that the parties have previously met in person within two years before the date of filing the petition, have a bona fide intention to marry, and are legally able and actually willing to conclude a valid marriage in the United States within a period of ninety days after the alien's arrival. . . .

The petitioner has provided a reasonable explanation on appeal regarding the certificate of religious marriage which she submitted for the record. The petitioner and beneficiary are not yet legally married, although they have already held a religious wedding ceremony. The religious ceremony was not validated, registered, or otherwise recognized by an Ethiopian government official. Therefore, the AAO finds that the petitioner and beneficiary still currently possess the intent to conclude a valid marriage in the United States. As it appears that the petition meets all the other requirements for approval under the Act, the appeal will be sustained.

ORDER: The appeal is sustained, and the petition is granted.
