FILE: [REDACTED] Office: EL PASO, TX Date: JUL 29 2009

IN RE: Applicant: [REDACTED]

APPLICATION: Application for Certificate of Citizenship under Section 301 of the Immigration and Nationality Act; 8 U.S.C. § 1401.

ON BEHALF OF APPLICANT:

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

If you believe the law was inappropriately applied or you have additional information that you wish to have considered, you may file a motion to reconsider or a motion to reopen. Please refer to 8 C.F.R. § 103.5 for the specific requirements. All motions must be submitted to the office that originally decided your case by filing a Form I-290B, Notice of Appeal or Motion, with a fee of \$585. Any motion must be filed within 30 days of the decision that the motion seeks to reconsider, as required by 8 C.F.R. 103.5(a)(1)(i).

John F. Grissom, Acting Chief
Administrative Appeals Office

DISCUSSION: The application was denied by the Field Office Director, El Paso, Texas, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected as untimely filed.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. *See* 8 C.F.R. § 103.5a(b). The date of filing is not the date of mailing, but the date of actual receipt. *See* 8 C.F.R. § 103.2(a)(7)(i).

The record indicates that the district director issued the decision on January 16, 2009. It is noted that the field office director properly gave notice to the applicant that it had 33 days to file the appeal, and that the appeal should not be sent directly to the AAO. *See* Decision of the Field Office Director. The Form I-290B, Notice of Appeal, was received on February 19, 2009, 34 days after the decision was issued. Accordingly, the appeal was untimely filed. The AAO further notes that the applicant notes that a brief would be submitted to this office within 30 days, but that no such brief has been received by this office to date.

Neither the Act nor the pertinent regulations grant the AAO authority to extend the 33-day time limit for filing an appeal. The regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case.

A motion to reopen must state the new facts to be proved in the reopened proceeding and be supported by affidavits or other documentary evidence. 8 C.F.R. § 103.5(a)(2). A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision. 8 C.F.R. § 103.5(a)(3). A motion that does not meet applicable requirements shall be dismissed. 8 C.F.R. § 103.5(a)(4).

The appeal in this case does not contain any new evidence or any argument to overcome the applicant's statutory ineligibility for citizenship. The AAO notes that the record does not contain sufficient evidence to establish the applicant's father's physical presence in the United States required by section 301(a)(7) of the former Act, 8 U.S.C. § 1401(a)(7). The applicant did not submit a brief in support of his appeal to this office as indicated on the Form I-290, Notice of Appeal to the AAO. His untimely appeal does not meet the requirements of a motion to reopen or reconsider, and therefore need not be treated as such. The appeal will be rejected as untimely filed.

ORDER: The appeal is rejected.
