DISCUSSION: The applicant's Application for Certificate of Citizenship was denied by the District Director, Buffalo, New York (the director), and the director's decision is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected as untimely filed.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. *See* 8 C.F.R. § 103.8(b). The date of filing is not the date of mailing, but the date of actual receipt. *See* 8 C.F.R. § 103.2(a)(7)(i). Neither the Act nor the pertinent regulations grant the AAO authority to extend this time limit.

The record indicates that the director's decision was issued on March 26, 2013. It is noted that the director properly gave notice to the applicant that he had 33 days to file the appeal. The appeal in this case was mailed on April 26, 2013, but not received until May 2, 2013, 37 days after the issuance of the director's decision. Accordingly, the appeal was untimely filed.

The regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case. The official having jurisdiction over a motion is the official who made the last decision in the proceeding, in this case the director. *See* 8 C.F.R. § 103.5(a)(1)(ii). The director determined that the late appeal did not meet the requirements of a motion and forwarded the matter to the AAO.

As the appeal was untimely filed, it must be rejected.
