DISCUSSION: The delivery bond was declared breached by the Field Office Director, Enforcement and Removal Operations, Houston, Texas, and the matter is now before the Administrative Appeals Office on appeal. The appeal will be dismissed as unnecessary.

The record indicates that March 29, 2011, the obligor posted a \$20,000 bond conditioned for the delivery of the above-referenced alien. A Notice to Obligor to Deliver Alien (Form I-340) dated January 7, 2015, was sent to the obligor via certified mail, return receipt requested. The notice demanded the bonded alien's appearance for an interview before Immigration and Customs Enforcement (ICE) at 9:00 a.m. on February 9, 2015, at [REDACTED]. The obligor failed to present the alien, and the alien failed to appear as required. On February 12, 2015, the field office director informed the obligor that the delivery bond had been breached.

However, the record reflects that the field office director issued a Notice of Bond Breach Reconsideration Decision (Form 71-042) on April 14, 2015 reinstating the original bond, due to notice defects. As such, this appeal is moot.

ORDER: The appeal is dismissed as unnecessary.
