Robert P. Wiemann, Chief
Administrative Appeals Office

DISCUSSION: The waiver application was denied by the District Director, Los Angeles, California, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected as untimely filed.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. *See* 8 C.F.R. § 103.5a(b).

The record indicates that the district director issued the decision on January 4, 2005. The decision indicates that the appeal must not be sent directly to the AAO; but must be filed with the Los Angeles, California, office. It is noted that the district director properly gave notice to the petitioner that it had 33 days to file the appeal. Despite this notice, the applicant initially filed the appeal with the AAO. The record reflects that the appeal was properly received by the Los Angeles District Office on February 25, 2005, or 52 days after the decision was issued. Accordingly, the appeal was untimely filed.

The regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case. The official having jurisdiction over a motion is the official who made the last decision in the proceeding, in this case the district director. *See* 8 C.F.R. § 103.5(a)(1)(ii). The district director declined to treat the late appeal as a motion and forwarded the matter to the AAO.

As the appeal was untimely filed, the appeal must be rejected.

ORDER: The appeal is rejected.
