APPLICATION: Application for Waiver of Grounds of Inadmissibility under Section 212(i) of the Immigration and Nationality Act, 8 U.S.C. § 1182(i)

ON BEHALF OF APPLICANT:

**INSTRUCTIONS:**

Enclosed please find the decision of the Administrative Appeals Office in your case. All of the documents related to this matter have been returned to the office that originally decided your case. Please be advised that any further inquiry that you might have concerning your case must be made to that office.

If you believe the law was inappropriately applied by us in reaching our decision, or you have additional information that you wish to have considered, you may file a motion to reconsider or a motion to reopen. The specific requirements for filing such a request can be found at 8 C.F.R. § 103.5. All motions must be submitted to the office that originally decided your case by filing a Form I-290B, Notice of Appeal or Motion, with a fee of \$630. Please be aware that 8 C.F.R. § 103.5(a)(1)(i) requires that any motion must be filed within 30 days of the decision that the motion seeks to reconsider or reopen.

Thank you,

Perry Rhew  
Chief, Administrative Appeals Office

**DISCUSSION:** The waiver application was denied by the Field Office Director, Newark, New Jersey. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected. The AAO will return the matter to the field office director for treatment as a motion to reopen and issuance of a new decision on the merits of the case.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days of after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. *See* 8 C.F.R. § 103.5a(b). The date of filing is not the date of mailing, but the date of actual receipt. *See* 8 C.F.R. § 103.2(a)(7)(i).

The record indicates that the field office director issued the decision on August 19, 2010. The instructions on the decision state that the appeal may not be filed directly with the AAO and the appeal must be filed with the Newark Field Office. The appeal was improperly filed with the AAO on September 20, 2010. The appeal was properly filed with the Newark Field Office on October 6, 2010, which is 48 days after the decision date. Accordingly, the appeal was untimely filed.

Neither the Act nor the pertinent regulations grant the field office director authority to extend the 33-day time limit for filing an appeal. As the appeal was untimely filed, the appeal must be rejected. Nevertheless, the regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case.

A motion to reopen must state the new facts to be proved in the reopened proceeding and be supported by affidavits or other documentary evidence. 8 C.F.R. § 103.5(a)(2). A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision. 8 C.F.R. § 103.5(a)(3). A motion that does not meet applicable requirements shall be dismissed. 8 C.F.R. § 103.5(a)(4).

The appeal includes, but is not limited to, the applicant's representative's brief, medical records for the applicant's spouse, information on different medical conditions, financial records, birth certificates, copies of immigration documents, financial records, country conditions information on Peru and educational documents.

Here, the untimely appeal meets the requirements of a motion to reopen. The official having jurisdiction over a motion is the official who made the last decision in the proceeding, in this case the field office director. *See* 8 C.F.R. § 103.5(a)(1)(ii). Therefore, the field office director must consider the untimely appeal as a motion to reopen and render a new decision accordingly.

**ORDER:** The appeal is rejected. The matter is returned to the field office director for treatment as a motion to reopen and issuance of a new decision on the merits of the case.
